Motion was made by Mr. Lesmeister and seconded by Mr. Young that bills so read be approved. Carried.

Mrs. DePhillips called the Council's attention to the windows in the bowling alley. Claims it disturbs her clients and others and that she can get signers to a petition to have this matter corrected. She also said it was her understanding that this building was to be constructed with no windows on the side and that sky-light ventilation and lighting was to be used entirely. The opinion of those present were also that there were to be no windows on the side in question. Mr. Echols said the building had been constructed as far away from the DePhillip property as the lot allowed and thought that Mr. Rogers plans to have ventilation from the roof and has the necessary equipment ordered ready to be installed. Mrs. DePhillips asked for an 11 o'clock closing hour for the bowling alley. The Mayor suggested that the Council and he interview Mr. Rogers and find out what can be done to eliminate excessive noise if any. He promised to report back at next council meeting.
