

RESOLUTION NO. XXVI

IN THE MATTER OF FURNISHING UTILITY SERVICES
OUTSIDE THE CORPORATE CITY LIMITS

WHEREAS the City of Canby, Oregon, a municipal corporation, now owns an electrical power distributing system, water works, and a sewerage system and is engaged in furnishing electrical, water and sewer service (hereinafter referred to as "utilities") to the inhabitants of said City, and has in the past, in some instances, extended those utilities beyond the corporate city limits to serve non-residents, and

WHEREAS requests are being made to the City from time to time from other non-residents for such utility service, and it is important that the Canby City Council establish a policy with regards to such applications, and

WHEREAS the Canby City Council has carefully considered the matter, and after due deliberation of the facts, circumstances and conditions, has determined that it is not practical, proper or possible to honor all of such applications for extended utility services and that the primary duty of the City of Canby as a municipal corporation has been and always will be to serve first and foremost those utility consumers who are within the corporate limits; that the costs of extending and maintaining utilities outside of the City is prohibitive in many cases; the capacities of the various utility systems are inadequate for such extended service; and the adoption of any policy which would tend to extend the service of such utilities outside the City would impede the City's normal growth and discourage annexation of contiguous areas to the City, now therefore

BE IT RESOLVED by the Canby City Council:

That henceforth utilities now furnished by the City to its

inhabitants shall not be extended beyond the corporate limits of the City to serve any person, firm or corporation.

That any such utility previously extended beyond the corporate city limits shall continue to be served to the property of the consumer now receiving the same, but the rights of such non-resident utility consumer shall terminate if he or any subsequent owner of the property served shall discontinue the use of such utility for any reason.

Adopted by the Canby City Council at a regular meeting thereof held on the 3 day of April, 1961.
