

ORDINANCE NO. 296

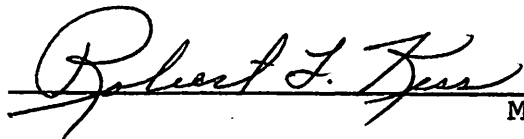

AN ORDINANCE REQUIRING AS-BUILT PLANS OF SUBDIVISIONS, TRACTS OF LAND, AND ALL LAND DEVELOPMENTS WHERE PUBLIC UTILITIES, STREETS, CURBS AND SIDEWALKS ARE BUILT.

The City of Brookings ordains as follows:

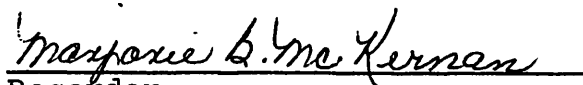

Section 1: As-built plans of subdivisions, tracts of land and all land developments where public utilities, streets, curbs and sidewalks are built within the said project will be furnished by the project engineer to the City. The as-built plans shall contain two sets of plans, one being a reproducible copy and one a blueprint copy of the total project.

Section 2: The City will not allow the developer to hook up to the water or sewer system or use the systems until the plans are furnished to the City. In no event are the as-built plans to be furnished to the City later than 60 days from completion of the project.

Passed by unanimous vote this 18th day of April, 1978.
