CITY OF CANBY

BALLOT "A"

CAPTION: SPECIAL LEVY, PARTIALLY STATE FINANCED, FOR CITY BUDGET PURPOSES.

QUESTION: Shall the City of Canby be authorized a \$761,106 special property tax levy outside of the 6% limitation?

PURPOSE: This measure, which would be partially financed by the state, authorizes the City of Canby to levy a \$761,106 property tax outside the "tax base plus 6%" limitation specified in the Oregon Constitution. Proceeds from this levy will be used to provide funding for City services including all or part of the budgets of the administrative, engineering, police, planning, municipal court, library, parks, streets, and other City departments.

EXPLANATION: The City of Canby is a full service unit of local government serving a population of over 7,700 residents. City operations are financed by a combination of local, state, and federal sources, but the City cannot operate without property tax funds. The proposed operating levy of \$919,635 for the fiscal year 1981-82 is \$81,606 higher than the tax base for that year. The present authorized tax base of \$158,529 is not adequate to meet the community's operational needs.

This measure will authorize a levy of \$761,106. However, the total property tax to be partially funded by the State of Oregon is \$609,009, and the authority to levy the remaining \$152,097 to balance the proposed budget is being submitted to the voters as a separate measure in compliance of the requirements of the Legislature's 1979 Tax Relief Plan.

The official inflation factor utilized by the state for the Canby area is 1.264%. Canby has demonstrated a past growth trend which has included doubling the City's population every 10 to 12 years.

If this measure is approved \$609,009 of the taxes levied will be financed partially by the State of Oregon. This will result in an estimated tax rate of \$3.06 per \$1,000 of true cash value.

CAPTION: SPECIAL LEVY, WITHOUT PARTIAL STATE FINANCING, FOR CITY BUDGET PURPOSES.

QUESTION: Shall the City of Canby be authorized a \$152,097 special property tax levy outside of the 6% limitation?

PURPOSE: This measure, which would be totally financed by local taxpayers without partial state payment, authorizes the City of Canby to levy a \$152,097 property tax outside of the "tax base plus 6%" limitation specified in the Oregon Constitution. Proceeds from this levy will be used to provide funding for City services including the operation of the community pool, police department, administrative office, and community school.

EXPLANATION: The City of Canby is a full service unit of local government serving a population of over 7,700 residents. City operations are financed by a combination of local, state, and federal sources but the City cannot operate without property tax funds. The proposed operating levy of \$919,635 for fiscal year 1981-82 is \$81,606 higher than the operating levy for the fiscal year 1980-81. The present authorized tax base of \$158,529 is not adequate to meet the community's operational needs.

This measure will authorize a levy of \$152,097 to balance the proposed budget. If this measure is approved, \$152,097 of the taxes levied will be totally financed by local taxpayers without any partial state payment. This will result in an estimated tax rate of \$ 1.01 per \$1,000 of true cash value.
