

RESOLUTION NO. 723

A RESOLUTION INITIATING ANNEXATION OF LAND WITHIN THE LOGGING ROAD INDUSTRIAL PARK PURSUANT TO ORS 222.111(2).

WHEREAS, unincorporated land designated for industrial use exists within the Logging Road Industrial Park and Canby's Urban Growth Boundary; and

WHEREAS, a master plan for this industrial area has been approved by the City Council; and

WHEREAS, ORS 222.111(2) provides that "a proposal for annexation of territory to a city may be initiated by the legislative body of the city, on its own motion;" and

WHEREAS, a city-sponsored annexation would help achieve uniform and logical development of this industrial area and would reduce negative property tax impacts to property owners therein; and

WHEREAS, Canby's voter-approval requirement ensures that the citizens of Canby hold final approval authority on all annexations.

NOW, THEREFORE, THE CANBY CITY COUNCIL RESOLVES AS FOLLOWS:

- (1) The City of Canby will be the applicant on an annexation of industrial land located within the boundaries of Canby's Logging Road Industrial Park and the Urban Growth Boundary.
- (2) The City will approach the annexation on the basis of the non-objection and willingness of industrial area property owners, and no property owners will be forced to annex into the City.
- (3) The City, the Industrial Area Association, and industrial area property owners will continue to work together on all aspects of the development of the Industrial Area and on the annexation application.
- (4) This resolution does not guarantee the approval of the annexation; all appropriate standards and criteria must still be met, and a vote of the people shall be the final decision.

ADOPTED this 19th day of January, 2000, by the Canby City Council.
