

ORDINANCE NO. 501  
BUILDING NUMBERING ORDINANCE

THE CITY OF CANBY ORDAINS AS FOLLOWS:

Section 1: For the purpose of this Ordinance and the building numbering system adopted by this Ordinance, the City of Canby shall be divided into the following four areas:

- Northeast - North of Southern Pacific Company right-of-way and east of Ivy Street
- Northwest - North of Southern Pacific Company right-of-way and west of Ivy Street
- Southeast - South of Southern Pacific Company right-of-way and east of Ivy Street
- Southwest - South of Southern Pacific Company right-of-way and west of Ivy Street

Section 2: The City Superintendent shall assign numbers to all dwelling houses and business establishments in the City of Canby now existing or hereafter constructed. The numbering of buildings on streets running north and south shall commence at the Southern Pacific Company right-of-way; and the numbering of buildings on avenues running east and west shall commence at Ivy Street. Assigned building numbers shall have at least three digits, and the same number shall not be assigned to more than one building on each street or avenue in each of the four areas of the City. Buildings on the north and east side of their streets or avenues shall be assigned even numbers, and buildings on the south and west side of their streets and avenues shall be assigned odd numbers.

Section 3: The City Superintendent shall make a record of all building numbers assigned, and shall keep such record current at all times.

Section 4: All assigned numbers for existing buildings or buildings constructed prior to April 1, 1967, shall be installed by the property owner at his own expense on or before May 1, 1967. Numbers assigned to buildings constructed after April 1, 1967, shall be installed at the property owner's expense within thirty

(30) days after completion of construction. Building numbers shall be installed on or in close proximity to the buildings for which the number is assigned, and the numbers shall be kept at all times clearly visible from the street or sidewalk. Building numbers shall be at least three inches in height and installed not more than six feet nor less than four feet above the ground or porch level.

Section 5: If any assigned building number is not properly installed within the time required by this Ordinance and thereafter kept properly installed, the City Superintendent shall post a notice in a conspicuous place on the building setting forth the assigned number, the reasons why the installation of the number does not conform to this Ordinance and that proper corrections are to be made within thirty (30) days from the date of such notice.

Section 6: If a property owner fails or neglects to properly install an assigned building number within the time required by this Ordinance, or to correct an improperly installed number, then after notice thereof is given as provided in the foregoing Section 5, the City Superintendent shall cause the number to be installed by City work force, and the sum of \$15.00 for the costs of the installation shall be added to the property owner's next ensuing utility bill and shall be collected as a part of such bill.

Section 7: All Ordinances or parts of Ordinances in conflict herewith or inconsistent with this Ordinance shall be and the same are hereby repealed.

Section 8: This Ordinance shall take effect at 12:00 o'clock noon Wednesday, February 1, 1967.

Passed on first reading at a regular meeting of the Canby City Council on the 5th day of December, 1966; ordered published at full length for a period of two (2) weeks as provided by the
