Re: Ordinance No. 574 (Fixing Time for Council Meetings)

Dear Harry:

I am enclosing a retyped Ordinance No. 574, which should be placed on the agenda for first reading November 5 and final reading on December 3.

This ordinance was read the first time on October 1, and scheduled for second and final reading October 22 and would have become effective November 1. Apparently, the Council didn't meet on the 22nd and the matter was deferred for final reading on November 5, but that can't be done because the effective date of the ordinance as passed on first reading was for November 1. To make a valid ordinance, we have to back up and start over so please make sufficient photocopies of the enclosure for distribution to the Council in advance of its next meeting and make three additional posting copies for the Recorder. Call me if you have any questions.

Sincerely,

BETTIS & REIF

Wade P. Bettis
