## EXHIBIT "A"

### **Memorandum of Agreed Terms for Personal Services Agreement between City of Canby, Oregon (City) and Heard Farms, Inc. for Sludge (Bio-solid) Pickup and Disposal**

In addition to the terms agreed upon in the signed Personal Services Agreement, the City of Canby, Oregon (City) and Heard Farms, Inc. agree to the following:

1. Heard Farms will pick up and dispose of sludge (bio-solids) from the City of Canby Wastewater Treatment Plant located at 1480 NE Territorial Road in Canby, Oregon, at a price of \$53.00 per ton.
2. The above-stated price of \$53.00 per ton will remain fixed for a two-year period commencing at the execution of the Personal Services Agreement and once hauling commences.
3. Heard Farms agrees to supply three (3) trailers for the City to pre-load the bio-solids for pick-up every Thursday (unless otherwise agreed upon mutually by the parties due to special circumstances).
4. Sludge (Bio-solids) are not required to meet the Class B standard in order for Heard Farms to haul them off and dispose of them. The sludge (bio-solids) need to be in the range of 5 to 9 on the pH scale. Any testing of the sludge (bio-solids) for disposal purposes will be the responsibility of Heard Farms and will be done at the Heard Farms facility. The City is not responsible for this testing at all.
5. Containers and/or trailers will be hauled off by Heard Farms within 24 hours of the load being ready.
6. The City continues to reserve the right to utilize their current contracted franchise agreement with Canby Disposal (Kahut) for its option of 150 tons per year of free disposal of sludge (bio-solids).
7. The City does not guarantee a specific amount of sludge (bio-solids) each month, but parties assume that amounts should be fairly consistent from month to month.
8. The City continues to reserve the right to haul off or have hauled off any excess sludge that Heard Farms cannot pick up and dispose of in a timely manner (by the end of each work week). The goal is to not have any sludge (bio-solid) storage over the weekends.
9. Both parties understand that this deal is also contingent upon pending litigation involving a sludge dryer. Heard Farms understands and accepts that the City may have to accommodate a period of testing of the sludge dryer, which could entail as much as six weeks of sludge being unavailable to Heard Farms. Further, this agreement is contingent upon the City being able to move the existing hopper out of the way—which is likewise associated with and controlled by the pending litigation.
10. Ownership of the sludge (bio-solids) transfers to Heard Farms upon pick-up by Heard Farms.
