# M E M O R A N D U M

TO: Honorable Mayor Hodson and City Council

DATE: May 18, 2016

THROUGH: Rick Robinson, City Administrator

COMPILED BY: Suzan Duffy

<u>Issue:</u> Adoption of an updated Master Fee Schedule.

Synopsis: In May of 2010 at the request of the City Council, Finance Department staff compiled a

master schedule of fees for services being charged by all departments of the City. The departments also provided proposed fee increases and some new fee requests. It was determined to be beneficial to review the fee schedule each year to incorporate needed

adjustments. Accordingly, a review and update has been done each year since.

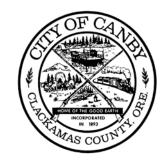

Departments have again done that review and proposed revised fees for the coming year to be effective July 1, 2016 if Resolution 1235 is adopted. A narrative summary of changes is attached as well as "Exhibit A" showing a comparison of current fees versus proposed changes. "Exhibit B" reflects the new schedule effective as noted herein if all

changes are adopted.

<u>Recommendation:</u> Staff recommends Council adopt Resolution 1235.

Recommended Motion: "I move to adopt Resolution 1235, A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CANBY, OREGON, SETTING FEES FOR SERVICES."

Attached: Narrative Summary, Resolution 1235 and Exhibits "A" & "B"

### PROPOSED FEE CHANGES – NARRATIVE SUMMARY

### **GENERAL**

### Public Records - Change

We have eliminated specific hourly rates in favor of allowing calculation of actual cost recovery, while at the same time waiving charges for documents that take less than thirty minutes to access and send electronically. This is common practice at other municipalities.

### **POLICE**

### <u>Public Records – Admin Research – New</u>

This is being added separately from the flat rate Police Reports to allow actual cost recovery for other types of requests.

### **COURT**

### City Cost Assessment - Change

Changed from \$7 per offense to \$7 per deferred sentence/diversion (crimes and violations).

### **Court Appointed Attorney**

This fee has been in existence for many years but had been previously omitted from the schedule due to oversight.

### <u>Distracted Driving Deferred Sentence - New</u>

This is a new Court/PD diversion program. The defendant completes online education and the conviction is dismissed.

### Fail to Pay Alarm - New

Court penalty recommended by the Judge for failure to pay alarm permit.

### <u>Juvenile Deferred Sentence – Change</u>

Fourth level added

### PROPOSED FEE CHANGES – NARRATIVE SUMMARY (Continued)

### **PUBLIC WORKS**

### Public Works Labor Rate – Increased

Increased based on analysis of average full hourly cost of public works employees.

### Pickup Truck Rate

Previously omitted from schedule of equipment rates due to oversight.

### **SEWER/STORMWATER**

No rate increase is proposed this year. Internal forecasting including 5 year Capital Improvement Plan (CIP) project sufficient funds based on current rate. We have budgeted the completion of a Sewer/Collections Master Plan update and update to Stormwater Master Plan CIP which will include a formal rate analysis for future consideration of rates to meet long-term system capital and operating needs.

### **SYSTEMS DEVELOPMENT CHARGES** - Increase

Changes include an inflation adjustment based on the Engineering News Record which tracks the cost of building materials over time which is the indicated inflation monitor to use for our SDC inflation adjustment recommended to be applied annually. This year the fees have been adjusted upward by 1.02 percent. For the Parks SDC we also eliminated the dual method for calculating the fee – finding it was too confusing rather than helpful – settling on one calculation method as indicated with a new explanatory note and heading for the "square feet per employee" to be used in calculating the fee.

### **PLANNING**

### Annexation Election Deposit fee-Clarification

We made a description modification to reflect the results of the recent legislation from SB1573.

### Private On-Site Engineering Plan Review Fee-Clarification

We made an explanation modification to better reflect how it has been applied excluding the cost of the structure.

### **RESOLUTION NO. 1235**

# A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CANBY, OREGON, SETTING FEES FOR SERVICES

WHEREAS, City staff has reviewed the City of Canby's master fee schedule and recommends changes in certain fees to be charged for various services provided by City staff; and

**WHEREAS,** the proposed fee schedule changes are meant to cover the costs of providing services to the public for which fees are charged and are not meant to generate excess income for the City above the cost of providing the requested service; and

**WHEREAS,** the Canby City Council held a public hearing on May 18, 2016 to receive public testimony regarding the proposed fee increases; and

**WHEREAS,** the Canby City Council determined that the proposed changes in certain fees to be charged are reasonable and based upon labor costs and industry standards.

### **NOW, THEREFORE, BE IT RESOLVED** by the Canby City Council as follows:

<u>Section 1</u>: City of Canby fees and charges are revised as shown in Exhibit "A" and adopted as shown in Exhibit "B" (clean version).

<u>Section 2</u>: The fees imposed by this resolution are not taxes subject to the property limitation of Article XI. Section 11(b) of the Oregon Constitution.

<u>Section 3</u>: All fees and charges not revised as shown in Exhibit "A" shall remain at their present amounts.

This resolution shall take effect on July 1, 2016.

The Parks SDCs for a particular non- residential development are determined by: 1) dividing the total square feet of building space in the development by the number of square feet per employee (from column 2 above), and 2) multiplying the result by the current Parks SDC fee of \$426.61. For Example: 25,000 SF/700 (Manufacturing-General) = 35.7 x \$426.61 = \$15,986.63 (Parks SDC Fee).

## MEMORANDUM

TO: Honorable Mayor Hodson and City Council

FROM: Public Works Operation Director; Mark Gunter

DATE: May 10, 2016

Issue: AN ORDINANCE AUTHORIZING A CONTRACT BETWEEN THE CITY OF CANBY AND TRUE NORTH ENVIRONMENTAL FOR THE PURCHASE OF A 2016 CAMERA VAN WITH SPECIFIC EQUIPMENT, INSTALLATION SERVICES, AND DELIVERY

**Synopsis:** The City of Canby 2015-2016 adopted budget, Sewer Capital outlay lines out the replacement allocation of \$92,000.00 for the replacement of a TV Truck and equipment. The vehicle and equipment that is Scheduled to be replaced is a 1981 Chevrolet Step Van with 115,797 mile on it as well as countless number of hour of operation while siting stationary as the camera is being deployed this van has served the City of Canby well.

Fleet Service Recommends that the City's Collection Department Surplus Unit # 4058 Camera Van and Purchase a new modern Camera Van Unit. With the purchase of the new Aerial Truck for the City's Street Department. The replacement of Collections Camera Van is rated by Fleet as the highest vehicle replacement priority. Unit #4058 has reached the end of its Service and Technological Life Cycle.

Unit #4058 was purchased used and has been in service with the City of Canby for over twenty one years. Fleet has deferred major vehicle repairs as unit was designated for replacement. In the new world of vehicles being rated as obsolete after ten years, vehicle and generator parts will be harder to locate and purchase. The will cause extended down time and loss of productivity.

Technology and Safety advancements in the automotive field has made unit #4058 a liability to the City's Fleet. Unit has no shoulder belts or air bags to protect operators. The vehicles engine fuel system is controlled by a carburetor, for poor fuel economy and emissions. The vehicles drive train has a manual transmission and clutch.

Bottom Line Unit #4058 has reached the end of its economic life cycle for the City's Collection Department.

**Recommendation:** That The City Administrator is hereby authorized on behalf of the City of Canby to enter into a contract with True North Environmental to purchase one 2016 camera van with equipment, installation services, and delivery for the purchase price of \$82,527.00. A copy of the Contract Pricing Worksheet from True North Environmental is attached hereto and marked as Exhibit "A" to Ordinance 1441 and by this reference incorporated herein.

**Rationale:** A camera van is an essential tool for the City of Canby Public Works Department for use with sewer and storm water line inspection, maintenance, and locates.

### Options:

- 1. Authorize a contract between the City of Canby and True North Environmental the purchase of a 2016 camera van with specific equipment.
- 2. Do not move forward with contract, and continue to operate with existing equipment.

*Fiscal Impact:* \$82,527.00.

### Recommended

Motion: I move to approve Ordinance 1441, AN ORDINANCE AUTHORIZING A CONTRACT BETWEEN THE CITY OF CANBY AND TRUE NORTH ENVIRONMENTAL FOR THE PURCHASE OF A 2016 CAMERA VAN WITH SPECIFIC EQUIPMENT, INSTALLATION SERVICES, AND DELIVERY to come up for second reading on June 1, 2016.

**Attachments:** Ordinance 1441 and Exhibit A

#### ORDINANCE NO. 1441

AN ORDINANCE AUTHORIZING A CONTRACT BETWEEN THE CITY OF CANBY AND TRUE NORTH ENVIRONMENTAL FOR THE PURCHASE OF A 2016 CAMERA VAN WITH SPECIFIC EQUIPMENT, INSTALLATION SERVICES, AND DELIVERY

**WHEREAS**, a camera van is an essential tool for the City of Canby Public Works Department for use with sewer inspection, maintenance, and locates; and

WHEREAS, the camera van currently owned by the City of Canby and used by the Public Works Department has reached the end of its useful life, with costs of maintenance outpacing its value; and

WHEREAS, True North Environmental manufactures a 2016 camera van that meets the Public Works Department's needs and specifications as set out in its Contract Pricing Worksheet in agreement with the National Joint Powers Alliance; and

WHEREAS, True North Environmental offers the lowest cost bid through the National Joint Powers Alliance for its 2016 camera van with specific equipment and installation services; and

WHEREAS, the City of Canby desires to purchase the 2016 camera van for use by its Public Works Department; now therefore

#### THE CITY OF CANBY, OREGON, ORDAINS AS FOLLOWS:

Canby Municipal Court has jurisdiction over all city and state law offenses committed within city limits other than felonies. These include: violations, traffic crimes, misdemeanors and City code violations.

#### **Current projects:**

- Training new court clerk Jessica Roberts. In recruitment phase of part-time court clerk.
- Working with Oregon State Police Criminal Unit so clerks can enter defendant judgements directly into the person's history file.
- e-DMV project another efficiency to allow clerks to upload traffic violation court results directly into DMV records.

#### **Court Programs Authorized by Judge Rod Grafe referred to in statistics:**

- 1. Charges Filed vs. Cases Filed: Multiple charges can be filed on any one defendant from a single traffic stop or arrest. Charges filed reflects this number. Cases filed (also called docket numbers) refers to the identifying database number given to a single defendant's matter before the court.
- 2. Violations Bureau Under the Judge's authority, court clerks can accept pleas on a traffic violation, offer a deferred sentence program (if qualified) and set a payment plan. For those charged with a crime a court appearance before the judge is mandatory. Fix it ticket activity will be included in this statistic.
- 3. Diversion/Deferred Sentence Programs For violations, defendants are offered the option of participating in an informative driving education course for a fee to the court. If there are no convictions during the following two months, the case will be dismissed.

#### Current programs include:

- Good Drivers Program (no prior traffic convictions in the last five years)
- Distracted Driver Program (no prior cell phone citation convictions in the last five years
- 1st Offender Traffic violation (if under the age of 18)
- 1st Offender Minor in Possession of Alcohol citation

RE: CITY COUNCIL BI-MONTHLY REPORT March – April 2016

#### **Economic Development Updates:**

The following projects are funded through Urban Renewal.

**Business Recruitment:** Staff submitted proposals or connected with the following leads:

- **Project Mainstay:** Staff submitted a proposal to Greater Portland Inc. for a national site selector. Project Mainstay is a gun manufacturer seeking a location for their existing manufacturing operations, with space for office and retail as well. They would like about 6 acres to build a \$4.14 million 50-80,000 SF building to accommodate 70 employees. They would prefer to lease existing space but are open to build-to-suit options.
- **Project Long:** Staff submitted a proposal to Greater Portland, Inc. for biotechnology equipment manufacturer based in the U.K. They are seeking an existing building or sites to open an assembly, training, and R&D operation that would employ 115 employees averaging \$50,000 annual salary at build-out. The building would be located on a 3.5 to 10 acre site with a build-to-suit leaseback option for at least 20 years.
- **A Wilsonville based manufacturer** is interested in the Canby Pioneer Industrial Park. Staff discussed options with the owner twice and provided site and Canby benefit information.

#### **Active leads include:**

- **Project Borealis:** Canby is on the short list for a high tech company looking for 30 40 acres to build a 350,000 square foot facility that could create 200-250 jobs. Staff recently provided permit costs, utility capacity and cost details. The company is developing conceptual designs for the project to share with prospective build to suit developers.
- **Project Blue Ice Update:** The Company is considering a \$40 million, 400,000 square foot building in Canby or in Vancouver, WA. The city would extend 4<sup>th</sup> Avenue to provide needed road and infrastructure access. Grant funding for the road project has now been secured with the March approval of an Immediate Opportunity Fund grant for \$519,650.

#### Development/Redevelopment:

• Community Plaza Grants and Fundraising: Staff is awaiting decisions on the last of three grant applications submitted to fund a Community Plaza next to the New Library and Civic Center. The Ford Family Foundation and The Collins Foundation have declined to support the project. The Oregon Community Fund should make their decision soon. City staff launched a campaign to solicit donations for matching funds. So far over \$10,000 has been

raised. Donation forms are available on the City website, and at City Hall, Development Services, and the Library. Large plaza furnishings such as light poles, benches, bike racks, landscaping features could be sponsored and recognized with an engraved plaque.

- Downtown Mixed Use Development Project Due Diligence: An experienced Portland based developer is exploring technical and financial aspects of the project to determine if it is viable. The development would include ground floor retail space and several stories of 1 to 2 bedroom higher end apartments. The project includes the renovation of the City hall and former Police Buildings for future retail / restaurant tenants. To support the project, staff explored resources and tools. Several technical meetings were held with the developer and project team. Planning and economic development staff met with project architects for exploratory discussions. A separate group met with historic designation experts to discuss the details and process for listing of the City Hall building on the National Historic Register. State and city staff discussed the possibility of a brownfields and asbestos abatement assessment grant for city hall and the Police building. A preliminary draft development disposition agreement has been developed. The City Council will determine if they want to proceed with the proposal over the next few months.
- **Stratus Development:** The sale of an almost 6 acre Urban Renewal site is planned for June. All benchmarks have been met so far for a build-to-suit building for a Portland based metals manufacturer on the site. The 60,000 square foot building is on track to open winter 2017. City staff has contracted with a well decommissioning expert to prepare the property for sale. The city is exploring the transfer water rights on the property to Canby Utility.

#### Other

- Spring Community Response Team Meeting: A group of civic leaders met to learn about and coordinate economic development efforts. The meeting held April 26th included updates on the downtown mixed use development, a business recruitment update, highlights of the new 174 unit Sequoia Grove apartment and industrial land development, library construction and fundraising efforts, and the Canby Independence Day Celebration.
- Canby in the Spotlight Newsletter The latest edition of this development focused newsletter was distributed to developers, real estate brokers, local stakeholders, property owners and businesses to raise awareness of new development activity in Canby. Features in the spring edition include residential real estate trends, the new apartment, housing and industrial development, new Canby businesses, recent movie productions, and the latest on the Library /Civic Building construction. There is a lot going on in Canby! The newsletter is available at City Hall.
- **Website Updates:** Staff and the Webmaster are systematically working through and extensive overhaul of the <a href="www.canbybusiness.com">www.canbybusiness.com</a> website. The goal is to make it cleaner and visually appealing, to streamline and update content, arrange information so it is more intuitive to navigate, and explore ways to make it more interactive.
- **Spring Film and Video Productions**: Wait Park and other Canby area locations will star in three shoots during March and April.
  - O A portion of a the feature length independent film "All Too Human" by The Signal Productions about a single father overcoming depression and turning his life around was filmed in the Wait Park playground.

- A Scottish television production filmed a segment on the Human Shield where the mayor was interviewed
- o An action sequence of a feature length film by Grandma Sally, LLC. was filmed in Eco Park.

#### **Main Street Updates**

The following projects are funded through Urban Renewal.

#### Promotion

• Canby Independence Day Celebration – The Canby Independence Day Celebration planning is taking shape. The event promises a wide range of activities beginning at 7 AM with a Pancake Breakfast and ending at 6 with music in Wait Park and a Beer Garden. Committees are working out the details on various parts of the event, including: vendors, entertainment, kid's activities, and the parade. Several citizens, businesses, and community groups have come together to contribute to the success of this time-honored event. The city contracted with Full Bloom Designs to create a website to provide day-of information, as well as information for vendors and parade members. The website with information for vendors, citizens, and visitors is: http://www.canbyindependenceday.com/

If anyone is interested in joining a committee, please contact: Jamie Stickel, Main Street Manager, 503.266.0772 or <a href="StickelJ@ci.canby.or.us">StickelJ@ci.canby.or.us</a>.

#### Economic Vitality

• Retail Market Analysis – The City of Canby is updating its Retail Market Analysis which was previously completed in 2012 by Marketek. As the economy continues to improve, the Canby business mix continues to evolve, and significant space has been absorbed, it is imperative to keep this report current. The report is to be used to market Canby and its unique offerings and to inform the cities Buildable Lands Inventory. The City of Canby contracted with Leland Consultants. They will use the 2012 Retail Market Analysis as a template and build upon this previous study to create a cohesive working document. The work will be completed and present to the Urban Renewal Agency in June 2016.

#### reOrganization

- Oregon Main Street Meeting The Canby Main Street Manager attended the Oregon Main Street quarterly network meeting in Hillsboro. This two day workshop featured training from the Project for Public Spaces, an internationally recognized non-profit focused on creating and sustaining public places. Oregon was one of five states chosen to participate in the training that featured its Place making Workshop which focuses on right-sizing streets, making the most of public spaces, and the idea of "lighter, quicker, cheaper" as a way to activate projects and spaces effectively and efficiently.
- **Historic Review Board** The Board continues its work with Tama Tochihara, from Eugene on eight Intensive Level Surveys. They include Wells Fargo Bank, Wait Park, Dahlia Theater, the building that houses the Bike Shop and Canby Trophy, and lastly, the building that houses Salon L and Ladybug Chocolates. Three properties were added after the Board learned the National Register Nomination for the Canby Depot would not eligible for the Certified Local Government Grant. Sites added include the Canby Depot, Bair House, and the Deadman Property, home to Mattress World. These buildings are from several time periods and showcase different aspects of Canby's history.
- Philander Lee Tree On Friday, April 8<sup>th</sup> the Oregon Travel Experience unveiled its 2016 class of heritage trees. In February, Canby's Philander Lee Tree was accepted into this year's program. The Philander Lee Tree sits on Package Containers property. It is significant because Philander Lee sold his property in order to create the City of Canby. Approximately 60 people including Lee descendants and school children from Lee Elementary attended the unveiling. It will be featured in the program's brochure and through various tourism outlets.

#### Design

• **Downtown Flower Program** - The Public Works Department began its spring planting in downtown Canby. The planters along NW 2<sup>nd</sup> are now planted with bacopa, potato vine, and salvia to complement the dahlias already in place. A petunia tower was installed in the parking lot behind the Canby Cinema. Summer flower baskets now hang on the light posts along 1<sup>st</sup> and 2<sup>nd</sup> Avenues. The baskets come from S&K Nursery in Woodburn.

## **Bi-Monthly Finance Department Report**

**To:** Mayor Brian Hodson & City Council Members

**From:** Haley Fish, Finance Director

**Through:** Rick Robinson, City Administrator

**Covering:** March & April 2016

Compiled by: Suzan Duffy

In addition to providing services and responding to inquiries from both internal and external customers, and performing the tasks listed statistically on the last page, the Finance Department reports the following items of interest this period.

- The focus this period was on preparing the **2016-2017 Proposed Budget**. Meetings were held with departments as needed and both current year projections and estimates of future needs were assessed. Additional historical trend information and future forecasts were prepared by finance for many of our funds/operating units and included as a part of the Proposed Budget document which was issued at the first Budget Committee meeting on April 28, 2016.
- Requests for updates to the **Master Fee Schedule** were sent out to departments in April. This process is done annually to ensure that fees are being charged at the appropriate level. A resolution is scheduled to go before the City Council in May recommending rates to become effecting July 1st, 2016.
- A second round of pre-collection notices was sent out to 156 **non-filed Transit accounts** in April. This has gotten the outstanding non-filed account follow-up caught up through the tax period ending 12/31/15.
- Finance issued **IRS Form 1095** to employees as required under the Affordable Care Act. This document verifies employer health coverage.

- Finance staff participated in the following meetings, trainings and events this period:
  - Local Budget Law training
  - Chamber of Commerce State of the Schools luncheon
  - Participated in an ELGL podcast "Biennial vs Annual Budget"
  - OGFOA Spring Conference
  - Mindfulness training
  - Met with Clackamas County Assessor Bob Vroman
  - LOC Data presentation
  - Library District Advisory Committee meeting
  - Board of Accountancy (BOA) Qualification Committee meeting

## **Special Recognition**

Suzan Duffy, Financial Analyst for the City of Canby completed the Oregon Government Finance Officers Association's Professional Finance Officers Certification Program and received recognition of the achievement at their Spring Conference in March.

The designation of Certified Professional Finance Officer indicates that the recipient has:

- 1. Met specified formal education and on the job experience requirements;
- 2. Satisfactorily completed required amounts of continuing education in specified areas:
- 3. Been involved in professional activities relevant to municipal finance; and
- 4. Demonstrated the determination, skill and training necessary to be a Certified Professional Finance Officer as judged by other professional finance officers.

Please join me in congratulating her on her hard work and achievement! She is a great example of the sharp, dedicated staff the City of Canby is fortunate to have working for them.

I am personally thankful to have the opportunity to work with such a wonderful, talented, compassionate group of ladies in the finance department,

Haley Fish, Finance Director

#### **Library Operations:**

- All Clackamas County libraries participated in Food for Fines week during National Library Week which occurred April 10<sup>th</sup> through the16th. The Canby Public Library collected 789 lbs. of food and waived \$474.63 in fines.
- Rick presented a change in the wording of the Canby Municipal code, as requested by the Friends to city council and it was approved. Section 2.20.070 Gifts and Bequests was updated with the following language "and expended only in accordance with the terms and conditions of the bequest".
- The library had a community input board in the lobby to gain information on what the community would like to see in services, materials, and programs. We are gathering the information and it will be included in the annual report.

#### **Technology Updates:**

- The hard drive died on another public computer. We are very much looking forward to new computers in the new library!
- We are still waiting for the cable to connect the vending machine to the copier. Hopefully it will be resolved soon. LINCC is in touch with the technician at EnvisonWare. In the meantime staff is making photo copies for patrons.

#### **LINCC Operations:**

- RFID has been postponed until January 2017. This project has been postponed in part
  due to Canby and Oregon City's opening of the new libraries, the time constraint in
  getting the RFP back in time, and the tagging timeline with the new libraries' grand
  openings.
- Library directors voted on swapping out the cost of a self-check with the database costs.
   Because our self-checks are coming out of capital funds the agreement does not work for Canby. We will absorb the costs into our collection budget unless another arrangement can be made with LINCC.
- Two LINCC employees won Oregon Library Association Annual Awards. Kathryn Kohl from LINCC Network Office won Librarian of the Year. Charlene Wood from Happy Valley won Library Employee of the Year.

#### **Collections:**

- We are working on costs for pre-processing and gathering costs from vendors –
  Midwest, Ingram and Audio Editions. Lori has been working with Audio Editions to see if
  they can match Midwest's proposal. Currently our thought is to begin having Midwest
  process our DVDs.
- We are going through our collection and weeding for outdated materials. 45% of our
  collection is over ten years old. Not all items over ten years need to be weeded but
  there is a significant number that do not adhere to our collection guidelines and need to
  be replaced with current materials such as medical, exercise, decorating, personal care,
  pet health, etc.

#### Marketing/Outreach:

- The Value Calculator is now up on our webpage. Plugging in our numbers since the beginning of this fiscal year (July 1, 2016) our community saved \$3,037,333.
- Angelica and Peggy are continuing to do monthly spots on Chanel 5 to promote our programs.

- For the 12<sup>th</sup> year in a row, Hanna has arranged for the library to display over 30 quilts during March and April made by inmates and instructors of the Coffee Creek Correctional Facility.
- We had quite a number of school visits. Zoar Lutheran, Learning Tree Preschool, and Knight Schools 2<sup>nd</sup> graders all visited the library. Peggy put together a storytime, tour and activities that showed the children how to use a library.

#### **Programming**

The citizenship class started a new cycle where there are eight new students and 10
returning students. About nine students submitted their application and are waiting for
their interview to become citizens.

#### Children's Day/Book Day:

- April 30th, was Children's Day/Book's Day. It is known also as DiA: Diversity in Action. This year was our 6th celebration. The theme was The Very Hungry Caterpillar.
- The DiA celebration culminates a whole month (April) of storytimes where we feature diversity in different ways (languages, food, traditions, and differently-abled people)
- We had a program in which families could enjoy different activities that promoted the STEAM (Science, Technology, Engineering, Art, and Math) and others fun physical active games. There were 10 activity stations that hosted self-paced activities providing time with family and community interaction from face painting to puppet making,
- Angelica and several volunteers worked hard putting it together. We had 88 children and 55 adults attend the program.

#### **Early Literacy Initiative:**

- The early literacy initiative team met on April 4<sup>th</sup>. We are partnering with Canby Schools for the summer reading. This is a fantastic partnership! The school district has a new community liaison Cori Waufle who has been working with Peggy, Angelica and Lauren. They have coordinated school visits to promote our summer reading program.
- We would like to thank the Canby Police Department and the Canby Fire Department for helping us out with our Hero Storytime. On Friday, March 18<sup>th</sup> Officer Koehnke and his dog Kardoin from the Police K9 Unit were here and read "Officer Buckle and Gloria". On Friday April 15<sup>th</sup> the Canby Fire Department brought over one of their fire trucks and read several books to the children who attended their Storytime.

#### **Staff Training/Meetings**

- The job notice for three additional on-calls was posted.
- Staff is doing weekly training to increase their skills. Lizzie is coordinating the training.
   We are starting off with the Chilton database.
- Lizzie attended a Train the Trainer Workshop in Sherwood with other LINCC staff. It was
  an intensive daylong workshop on how to evaluate and redesign trainings to maximize
  their effectiveness. Lizzie has already put the techniques to use as the volunteer
  coordinator and library supervisor with shelving, eBooks and research database
  trainings.
- Lauren, Lizzie and Karen attend the annual Oregon Library Association conference in Bend from April 20 – 23<sup>rd</sup>. They all came back with lots of ideas on programs, services, and marketing. Each staff reported out on what they attended and we have already put to use a lot of the information they learned, such as the ALA Libraries Transform Campaign, Tell Your Story, Guerilla Storytimes, Showing Free PBS Documentaries, and the Edge toolkit.

#### Friends of the Library:

• The Friends of the Library's Book Garden raised \$1,118.25 in March and \$1,116.45 in April! Thank you Friends for all your hard work that goes to support the library!

#### **Volunteers:**

- Our volunteer celebration was held on Saturday, April 16<sup>th.</sup> Lizzie did a great job in coordinating the event. Cake was served and the event was topped off with music in the Stacks with the folk duo Kate Powers & Steve Einhorn. Volunteers received a notebook with the Canby Public Library logo embossed on the front and a book was added to the collection in their name. Thanks to Hulbert's Flowers for their donation of carnations for each of the volunteers.
- Carol Wagner was named volunteer of the year. Carol has volunteered 135 hours since
  this past July. Carol can be relied on to shelve materials and gather items for our daily
  pick list. Carol also runs a weekly knitting group here at the library and is an active
  member of the Friends.
- Volunteer of the month for March was Joyce Peters

#### **Facilities:**

- Thanks go to Dan Mickelsen for cleaning up another issue in the restroom.
- Dan replaced the ballast in the janitor room

# PLANNING & DEVELOPMENT SERVICES MARCH-APRIL BI-MONTHLY REPORT

TO: Honorable Mayor Hodson and City Council

FROM: Bryan Brown, Planning Director

DATE: May 5, 2016

THROUGH: Rick Robinson, City Administrator

The following report provides a summary of the Planning and Development Services activities for the months of March and April, 2016. Please feel free to call departmental staff if you have questions or desire additional information about any of the listed projects or activities. This report includes planning activities, a listing of land use applications and development site plan review coordination projects for building permits.

## **Planning Activities**

- 1. Park & Recreation Survey. In order to assist the City in getting a better handle on the direction it needs to go in its provision of park services and there funding the senior planner developed a park and recreation survey. An online "survey monkey" version was prepared so everyone would have an opportunity to provide their input along with a direct mailing of 1840 surveys to a statistical random sample of registered voters in Canby. Completed surveys are now arriving and the results will be tabulated and shared with the Planning Commission and City Council. The survey results should allow us to extrapolate the findings to the broader community. The survey monkey results will supplement the hard copy survey data received.
- 2. Quiet Zone. Work continues to resolve a technical issue that was identified at the intersection of OR 99E and N Elm St. by the Quiet Zone diagnostic team before implementation can proceed. Funding and project prioritization by ODOT is being solicited for the required modification to increase the turning radius at the NE corner of OR 99E and N Elm (right hand turn from OR 99E N onto Elm) to better accommodate large trucks without encroaching on the sidewalk. It has been determined that some additional right-of-way will need to be acquired and a power pole relocated prior to meeting requirements to proceed with implementation of the Quiet Zone design plan that has been laid out for not only the 99E & N Elm Street intersection, but also the 99E & N Grant Street and 99E & N Ivy Street intersections in downtown Canby. A recent kick off meeting for the City of Canby Retail Market Analysis lead by the consulting team of Leland Consulting Group and Civil Consultants indicated how critical they believe putting the quiet zone into place is for Downtown Canby. We are still hopeful that emphasis relayed to the State Regional Solutions Team who visited Canby about the importance of this project will bear fruit finding necessary funding for the localized fix needed at the corner of OR 99E and N Elm street to move forward with the rest of the project.
- 3. Buildable Land Needs Study. Staff interviewed and had made arrangements for volunteer GIS assistance from a community college intern to begin help in refining the land use data that has been collected into a useful map format for the study. However he has moved on prior to starting with us to another paid internship but recommended another possible student that may be interested in helping us complete numerous maps associated with the study. We will be reaching out to see if this intern might be a fit for our project. Regardless, we will move forward the best we

can to provide some of the needed maps. The data we are collecting is a constantly moving target in our rapidly growing City. The study will provide Canby with a factual basis to support future planning efforts related to housing and options for addressing unmet housing needs in Canby, but it is not intended to be prescriptive about how Canby meets housing needs. It will add needed clarification as to what lands of each zone type are available to meet both housing and business needs to drive future economic opportunities and growth. A Study is intended to comply with Statewide Planning Goal 10, which governs planning for housing and residential development. Goal 10 requires the City to plan for housing that meets identified needs for housing within the urban growth boundary, at particular price ranges and rent levels. In short, Canby must plan for a range of housing types at a range of price levels. The study should provide a basis for possible zone changes and if needed a future Urban Growth Boundary expansion. It may also better inform the City and applicants on the need and timing on future annexation requests. A draft Buildable Lands Study will be presented at a joint work session for the City Council and Planning Commission in July.

- 4. South Ivy Street 2016-2018 STIP Enhance Project. Total funding allocations and partner shares have been set, and surveying and engineering for the project by Clackamas County is proceeding. We are still waiting for the final intergovernmental agreement between partners to arrive from ODOT for signing. Construction is not planned until 2018. The project will construct sidewalks, a bike lane, and curbing on S Ivy Street from 99E south to Lee Elementary School. It includes installation of a traffic signal at the 3-leg intersection at Township Road and Ivy.
- 5. Molalla Forest Road Master Plan Update. Canby and Clackamas County are preparing joint grant applications to fund this project. The path or trail will reconnect the City of Canby to the City of Molalla, and eventually connect to the Molalla River Recreation Corridor. This section of the Molalla River has been newly designated an Oregon Scenic Waterway. The completed path would add approximately 8 miles of multiuse path to the 3+ miles currently within Canby's UGB. Grant applications will be submitted to the TGM program and the State Parks recreational trails program. The latter is the best fit, but we may be able to obtain a TGM grant, and those funds would be available sooner than the State Parks funds. Meetings with numerous stakeholders to garner support for the project have been held. Support has been positive to this point. If grant funds are obtained, the master plan would take about 9 months to complete. Following the adoption of the master plan the City and our partner with the County would begin submitting grants for the first phase of the acquisition/construction of the pathway.

## **Land Use Application Activity**

## 6. Pre-Application Conference(s) Held:

- March 22, 1016, Steven Rudnick proposes to construct a single story pole barn type structure with a concrete foundation and mezzanine. The property is located at 1400 SE Township Road. Property is zoned M-1, Light Industrial.
- March 29, 2016; Tom Scott proposes to construct a new single story commercial building with approximately 6,000 Sq. Ft of interior floor space. The building will be constructed using a masonry exterior, aluminum storefront, and metal roofing/awnings. The property is located at

Re: Monthly Report for April 2016

#### Training:

04/06/16 - 04/08/16 Oregon Washington Lawmen's Association Spring Training

#### Meetings:

04/14/2016 - MCT

04/14/2016 – MCT Supervisor meeting

04/28/2016 - MDT Meeting

#### DHS 307 reports:

Over 27 DHS Screening Reports (307) have been processed and cleared by Detectives in the month of April.

#### Details:

**Detective Murphy** – Murphy is staying busy with CCITF. He continues to work with the team on large drug buy/rips taking a large amount of narcotics off of the streets. While doing this he is still following up with patrol leads and signing up new informants from the Canby area. CCITF case 16-70122 seized approximately a kilo of heroin by the end of the investigation. This case started with a Canby informant who Murphy along with CCITF was able to work up the supply chain. (See Murphy's monthly report for more detail.) Also attached CCITF 1st quarter stats.

**Detective Mead** – Mead is working on five open cases, one includes a large money fraud where the victim had been defrauded by a family friend over many years. The suspect now lives in Nevada and Mead is attempting to reach out to her through the victim's attorney. He also continues to work on open sex abuse and rape investigations.

Detective Floyd – Floyd has passed his testing for his A+ certification and attended a week long training class out of state which was paid for by the FBI. In this class Floyd was required to forensically investigate a mock suspect's computer making a copy of the hard drive. After returning Floyd was given two weeks to complete the forensic examination and complete a report to send back to the FBI. Floyd had some hardware issues and needed a two week extension to complete the task. He recently completed this and sent it to the FBI lab for review. As further part of this testing Floyd will be required to travel out of state for a second time and appear in a moot court to testify about his investigation. This should happen sometime near September and is also paid for by the FBI.

**Evidence Technician Hemstreet** – Hemstreet has given his official date of retirement to be June 30<sup>th</sup>. He is working on organizing the evidence room for a smooth transition for his replacement. Hemstreet has also been working with RegJIN on a barcode scanner system which would make processing and moving evidence more streamline.

(See Detectives attached monthly reports for more information.)

Re: March-April '16 Monthly Reports

#### Tactical Entry Team

On April 18<sup>th</sup> -20<sup>th</sup> Officer Fetters and I attended the Oregon Tactical Officers Association annual conference hosted by the Portland Police Bureau. The class room portion of the training included incident debriefs from local SWAT teams, and a key note address by former Delta Force Operator and owner of Spartan Tactical Jim Smith. The hands on portion of the training included combat handgun use, weapons modification and maintenance, ballistic breaching, Vehicle/pedestrian take downs, linear assaults, and hostage rescue tactics.

#### **Training**

On March 16<sup>th</sup> Sgt. Smith, Officer Fetters, and Officer Christman instructed firearms training at Canby Rod and Gun Club. The focus of the training was back and off duty weapon use and qualifications.

On April 4th-8<sup>th</sup> Officer Anderson, Officer Scharmota, and Sgt. Smith attended initial training in Los Angeles, CA for the newly formed inter-agency Intellectual Property Crimes Task Force.

On April 27<sup>th</sup> Detective Murphy and Officer Fetters instructed tactical duty knife training for the department. The training covered the officers use of department issued folding knives as a last ditch lifesaving tool.

(Please see the attached training calendar for additional department training.)

Respectfully,

Sgt. Doug Kitzmiller

## Canby Swim Center Report

**From:** Eric Laitinen, Aquatic Program Manager

**Date:** May 6, 2016

**Re:** Bi-monthly Report

It is Water Safety Month time for signing up for summer swimming classes for the family. We are now registering for lessons for the spring and summer. We also are hosting the Gator Grinder that is always the day before Mother's Day. The race a fund raiser for the Canby Swim Club and brings in 300 athletes to compete during the race. It is a great community event and it brings in friends and family as spectators and they enjoy the event too.

Our spring programs continue thru the middle of June. We have two more Canby Schools for second grade lessons, a session and a half of public lessons to go and Spring Penguin Club is in its second session too. The Gators are also competing again for summer long course season as well as putting on the triathlon. The Canby Gators will compete up through August for the summer season ending on some big meets such as LC State, Zones and the Olympic Trials.

Attendance and revenue numbers were good versus last year's March and April. Revenue is up \$5,700 over the same two months last year and is up \$8,100 overall. Attendance it still 2,300 behind last year but the March and April numbers matched last year. Summer is just around the corner as school gets out in six weeks and that marks the beginning of our summer programs. Everything seems to be going well as we approach the last year of the current five year levy. November will be an important time for the Canby Swim Center, as it is every 5 years.

#### Fleet Service Highlights

Fleet Service working with other City Departments kept the City's vehicles and equipment on the road performing their duties. Note: April Fuel Cost Total Includes March 16, 2016 - March 31, 2016 and Only First Part of the Month of April: April 1, 2016 - April 15, 2016

#### **Parks Maintenance**

By Jeff Snyder, Parks Maintenance Lead Worker March – April 2016

#### **Park Renovations**

Wilderness International has completed the installation of another fishing platforms at Community Park. Work on the platforms was completed the first part of April.

The Boy Scouts removed over 20 yards of debris from around the A-frame at Community Park. With the recent installation of a secure wood storage area, the scouts will now be able to have an orderly more maintainable area around the A-frame.

Canby Wildcats softball organization contracted to have extra electrical circuits installed in the concession are at Maple St. Park to address their power needs during tournaments.

#### **Park Maintenance**

Parks staff has been busy with fertilizer/moss control applications, shrub bed cleaning and trimming. Turf areas were also edged, weeds were sprayed and bark dust has started to be applied were needed. Mowing has been in full swing once the rains subsided and the storm debris removal has decreased since the beginning of March. Building maintenance issues and playground repairs were addressed as found. All of the drinking fountains have been turned on for the season and the irrigation system were also energized but not tested, nor adjusted as of yet. Tree trimming has only been done to prevent contact with mowers and signage obstruction. We were able to sweep the parking lots and paths once over the last couple of months. Beaver dams were breached a couple of times to help control the water levels in the Willow Creek Park/wetlands and a hazard tree limb was removed by the tennis court. The Parks Department spent 11.5 hours addressing graffiti and vandalism the last two months. Regular maintenance was **not** performed at the 33 areas the Parks Department is responsible for, the Adult Center, Arneson Gardens Horticultural Park, Baker Prairie Cemetery, City Hall, Community Park (River), CPIP sign, Disc Golf Park, Eco Park natural area, Faist V property, Holly & Territorial welcome sign property, Hulbert's welcome sign property, Klohe Fountain, South Locust Street Park, Logging Road Trail and Fish Eddy/Log Boom property, Maple Street Park, Nineteenth Loop Natural area, Northwood Estates Park, Police Department landscaping, Simnitt Property, Skate Park, Shop Ground, Swim Center, Legacy Park, Territorial Estates Future CLC Park, Finance Building, Transit Bus Stop, Triangle Park, Vietnam Era Veterans Memorial, Wait Park & Willow Creek Wetlands, Knights Bridge right of way and WWTP property.

#### Meetings attended

I attended the Lead Worker meetings and we all attended the safety/recognition meetings. I wrote and administered Mark Olney's annual evaluation.

I wrote and submitted the 16-17 budget after it was reviewed by the Public Works Director. I met with Dan Webb to discuss solutions to a problem of brush and berry briers encroaching onto neighboring property owners on the back side of Willow Creek Park/wetlands. The Public Works Director and I met with representatives from the Canby Art Alliance and the Chamber of Commerce to discuss options to renovate the iconic Wait Park gazebo.

#### For your Information

The Parks Department is responsible for 215 acres of property.

## City of Canby Bi-Monthly Report Department: Transit

For: the months of March and April, 2016

Date: May 6, 2016

Prepared by: Julie Wehling

Through: Rick Robinson, City Administrator

#### 1) Funding and Contracts:

- a) Monthly Elderly and Disabled transportation reports were submitted to TriMet.
- b) On March 11<sup>th</sup> the annual Certifications and Assurances documentation was submitted to ODOT.
- c) On March 11<sup>th</sup> two grant applications were submitted to ODOT for vehicle replacements. One application for \$125,622 in 5310 funding with a \$14,378 matching requirement to replace bus 17 (2009 21 passenger StarTrans Cutaway minibus); and one grant application for \$119,000 in 5339 funding with a \$21,000 matching requirement to replace bus 14 (2006 35 passenger Champion 35' coach).
- d) On April 22<sup>nd</sup> a draft Request for Proposal (RFP) to select a consultant for the Transit Master Plan process was forwarded to ODOT for approval. Once approved the RFP will be published.

#### 2) Ridership:

Total ridership year to date for the FY 2015-16 was down 24.19 percent as compared to the previous fiscal year. During this report period CAT provided:

- a) 7,423 rides in March (20.33% fewer than March of 2015).
  - 1,280 demand responsive rides (Shopping Shuttle & Dial-A-Ride). This is 13.51% fewer than were provided during March of 2015.
  - 4,610 to Oregon City (19.60% fewer rides than March of 2015).
  - 1,533 to Woodburn (27.14% fewer rides than March of 2015)
- b) 7,566 rides in April (19% fewer rides than April of 2015).
  - 1,267 demand responsive rides (Shopping Shuttle & Dial-A-Ride). This is 23.3% fewer rides than were provided during April of 2015.
  - 4,597 to Oregon City (17.88% fewer rides than April of 2015).
  - 1,702 to Woodburn (18.83% fewer rides than April of 2015).

As reported previously, ridership is down across the board. No single cause has been identified. The reasons include the recent service adjustments, the Route 99 name change, TriMet's changes associated with the new Orange Line MAX, and the closure of two supported employment sites in Oregon City have all impacted our ridership numbers. Other transportation providers across the state are also experiencing ridership slumps and many are pointing to lower gas prices.

#### Updates:

- a) The Rider of the Month for March was Monica Sanchez and the winner for April was Don Yoder. Both riders got a free bus pass and other goodies.
- b) In March and April we provided 256 same day rides on a space available basis.

#### 4) Collisions and Incidents

- a) There were no collisions in March or April.
- 5) <u>Events Attended:</u> City staff, contractors and/or volunteers represented CAT or participated in activities and trainings in the following venues:

- Replaced VFD for South RAS and Blower #3
- Changed out Biosolids Shaft Bearing on long PES Conveyor.
- Repaired small Biosolids conveyor belt DK facility.
- Replaced gas detector from Public Works Supply.
- Repaired group fault on UV system.
- Repaired sludge pump diaphragm.
- Ordered parts for-eff filter, sludge conveyor and plant suction hose,
- Received approximately 30 ton of hydrated lime.
- Ordered ballast, lights and Shop tools.
- Fishers RPM rewound process water motor #2.
- New spare motor purchased for process water pump.
- Requested bids for floor in old GBT room.
- Flow meter monthly verification.
- Prepared samples for 1<sup>st</sup> guarter Biosolids testing with contract lab.
- Pulled scum pit pump and removed debris in bottom of wet well, repaired check valve.
- Waste Oil tested and recycled by Safety Clean.
- Lab equipment, eff temp meter calibrations.
- Research of plants for berm around new Biosolids Building.

- Started processing in dumpsters to get ready for concrete footing in the Biosolids building.
- Turned Brushes around on North & South clarifier.
- Received aluminum chlorohydrate (settling flocculants) for clarifiers.
- Repair of sprinkler system, Seeded and landscaped lawn around pipe repair.
- Daily plant check, lab, and process control.
- Routine daily maintenance, repairs, and cleaning of plant.
