Mr. Wyman
City Hall
Canby, Oregon

Dear Mr. Wyman:

We would like permission to have our trailer
parked on our parking lot, next to the locker
building. *Thru. Nov-9th*

This is our annual canned food sale, and there is
no room to put all this canned food in our store,
so we had to stack it in our parking lot next to
our building.

The purpose of the trailer is to have someone
sleep in the trailer at night to guard our canned
food.

We could think of no other way to handle this, and
due to the vandalism, we cannot leave all this
food unguarded.

Sincerely,

Elsie Cutsforth

Dear Sir;

Leaves and Fishes would ask to have their name put on the agenda for the next city council meeting. It is for the purpose to seek the sum of \$300 from the revenue sharing funds. We feel this is a fair sum to request and would like the opportunity to talk to you about it, and to be able to answer any questions the council would ask. This sum is for the continued operation of the local Leaves and Fishes branch.

Sincerely,

Robert Fisher
