Regular Meeting
Mon , Aug.20-1956

A regular meeting of the Council was held on Monday, August 20 and called to order at 8.45 P.M.

Present: Mayor Eversole, Atty. Bettis, the Recorder and Councilmen Anderson, Beck, Hulbert and Kraft.

The minutes of the previous meetings of August 6 and 8 were read and ordered corrected to read as follows ; after which they were approved.

Moved by Beck, seconded by Hulbert and carried, that the minutes of August 6th. 1956 be corrected to show that after the petition of the property owners in Blocks 17 and 18, Canby were approved, the City Engineer was duly directed to make a survey and submit a written report of the proposed sewer extension project, which would include all areas accepted on petitions since the public remonstrance meeting on the first assessment district, and that the Engineer's report be filed by the next regular meeting.

Communications.

From Councilman Larry Hill announcing his resignation as a member of the City Council of Canby, as of Sept. 1, 1956.

From Victor P. Morris, Chairman United Nations Day (October 24-1956) and suggesting that a local committee be appointed to function in helping to make the public informed on the work of the United Nations.

From the "Community Council" organization stating that a representative from the Council would be welcome at its next meeting to be held in the Methodist Church basement on August 22 at 8 o'clock P.M.

Sewer Petition

A petition for a sanitary sewer, signed by Fred Saxton, Sr., Eleanor Hink and Samuel A. Reusser for Block 5, O.T.S. was then presented and on motion by Beck, seconded by Anderson and carried, approved and the City Engineer directed to survey and submit written report to the Council.

It was then moved by Beck, seconded by Hulbert and carried, that the resignation of Larry Hill be accepted.

The Mayor then called for the opening of bids as published in "Call for Bids" in the Canby Herald, covering Liability and Property Damage for the City, from Sept. 2, 1956 to Sept. 2, 1957.

The following were then presented and read by the Recorder:
