

The Council met in regular session on Monday, November 5 and was called to order at 8.05 o'clock P.M.

Present : Mayor Eversole, Atty. Bettis, Supt. Dunn, Fire Chief Christiansen, the Recorder and Councilmen Anderson, Beck, Hulbert, Kraft, Oathes and Pond.

The minutes of the October 15th. meeting were read and approved.

Mayor Eversole then stated that he would hear from any visitors present, if they so desired.

Whereupon Ben Oilar entered very strenuous objections as to his assessment for sewer charges, insisting that he was being assessed more than others, with the same measurements of ground. The method used in assessing his property was explained to him and no other action taken.

Mr. P.E. Asmunstad then addressed the Council, stating that his Maple Lane property had been left in bad condition by the sewer contractors and thought they should remove the rocks at their own expense. He also again stated that, in his opinion, the bill of \$ 128.00 for grading by the City equipment was excessive, but that he would be willing to pay the sum of \$ 80.00, his previous offer.

Whereupon on motion by Anderson, seconded by Hulbert and carried, it was voted that the previous action of the Council, as of Sept. 17-1956, be rescinded and that the sum of \$ 80.00 be accepted for payment in full of the above mentioned claim.

#### Communications

From Southern Pacific Co. asking if the City is interested in taking over its water tank in Canby.

From Mrs. Mauthe relative to some damages account sewer installation.

Atty. Bettis letter relative to Torgeson garbage contract.

The Recorder then presented to the Council an old (1908) Zion Cemetery deed to Lot 14, Block 4 in the name of --Tecker, the same having been left by Mrs. Irene O'Dell of Molalla, a daughter of said Tecker, and who wished to sell back to the City the portion of the unused lot.

In this connection, it was moved by Beck, seconded by Pond and carried, that Mrs. O'Dell be advised it was contrary to the rules and regulations to repurchase any lots or parts of lots, nor could they be sold to others, but must be returned to the Cemetery at the original price paid.

Earl Oliver then addressed the Council relative to the extension of Wait Avenue, thro' his property, to Washington street, from Ferry Road. He stated that he would be willing to dedicate to the City, a 60 foot street, but as he expected to sell off lots in the future, did not care to assume any sewer assessments at this time. After some discussion in the matter, it was moved by Oathes, seconded by Beck and carried, that it be referred to the Planning Commission for their consideration.
