Reports of Officers

Chief of Police McClurg read his usual report covering the activities of the police department during the preceding month.

In addition to his routine report, he stated that he would like to see a reorganization of the department, giving the chief the privalage of hiring and firing. These remarks, creating considerable discussion, joined in by visitors attending the meeting, the Mayor stated that he would appoint Thursday evening, April 8 as a date for a special session to thresh out this problem.

The City Treasurer then read his report covering the quarter ending March 31, the same being accepted, subject to audit by the finance committee.

The Recorder reported 26 cases in Court during March, resulting in fines assessed-\$ 260.00-Costs \$ 59.00.

Fire Chief Yoder reported 2 city calls and one rural district call in March, with very small damage resulting.

Supt. Raines reported that it would be necessary to have a new pole trailer, as the old one had been condemned by the state inspector.

He also stated that some attention should be given to H.B. #675, now before the Legislature and which provides for the taxation of municipal electric properties lying outside city limits. In this connection, the Recorder was instructed to write Clackzmas County senators and representatives, urging that the bill be defeated.

It was then bro't to the attention of the Council, by Elmer Deetz, speaking for the County Fair Board, that a street light was badly needed on Highway 99, where it was intersected by the road leading to the Fairground entrance. He was told that this matter would receive consideration of the Council.

Neal Thompson then presented to the Council for their consideration, a partially completed map of Canby, drawn by Ronald Tatone. He thought it might be a good opportunity for the City to acquire, a completed official map at a very reasonable price.

It appearing that the Chamber of Commerce was also interested, no action was taken, pending any action by that body.

Don Stajgr and Harold Ott then appeared before the Council, asking for an increase in wages, stating that they felt they were entitled at least, to the wages of linemen apprentices, which is fixed by the State at 0 1.84 per hour for the first six months of employment.
