

Regular Monthly Meeting  
Jun 2-1952

The regular monthly meeting of the City Council was held on Monday, June 2-1952 and called to order at 8.15 P.M.

Present: Mayor Irwin, Atty. Zimmerman, Supt. Raines, City Treasurer (acting for Recorder H.B.Evans) and Councilmen-Anderson, Cutsforth, Girod, Hill, Kraft and Rupp.

The minutes of the previous regular meeting of May 5 and those of special meetings of May 16 and 19 were read and approved.

Reports of officers

Chief of Police Hudson submitted his usual monthly report, showing in detail his activities during the month.

The Recorder reported 10 cases in his Court, resulting in fines aggregating \$ 95.00-costs \$ 22.00.

Fire Chief reported one call in the City with no damage. Also five calls in the rural district with losses confined to the Dasso fire amounting to an estimated \$ 3500. He also mentioned having attended the annual association meeting at Medford in company with rural fire chief Jack Gribble.

Whereupon Mr. R.H.Hale, being present, asked the Council to authorize the extension of the electric power line from the Tatone property and connect him up for city service. This matter was left to Councilman Girod and Supt. Raines to handle according to past policy.

Ordinance No. 366

Ordinance No. 366 providing for the oiling of south 6th. Avenue and some adjacent streets was then introduced, read for the first time, passed, ordered published and to come up for final action at the next regular meeting.

Mayor Irwin then announced that the directors of School District No. 86 had agreed to deed to the City for road purposes, 15 feet along the northerly side of the Grade School property.

Chas. Sandsness then bro't up the matter of installing lights in the City Park for night soft-ball games. In connection with this, Mr. Robert E. Lee of the Bonneville Power Administration being present, was asked what Bonneville would have to say about it. Mr. Lee stated that he would consult the management and report back.

Daylight Savings Time.

It appearing that many citizens had signed and presented petitions, both for and against in this matter, it was thought best to stand by the original recommendation of the Council, that is, to adopt the so-called fast time and Messrs. Girod and Hill were appointed a committee to formulate a statement for the Canby Herald, explaining the impossibility of arriving at any uniformity and that any further action would merely create more confusion.
