

Adjourned Meeting
Tuesday, Aug. 15

The Council met in adjourned session on Tuesday, August 15 and was called to order at 8.15 P.M.

Present: Mayor Eversole, the Recorder and Councilmen Anderson, Beck, Irwin, Kraft, Porter and Rupp.

The Mayor announced that the Council would first listen to visitors present, who apparently had something to bring up.

Whereupon Virgil and Mr. Heubner addressed the Council to the effect, that having built new homes in the north part of the city, they had learned that the owner of land in their vicinity. proposed to erect, for sale, undesirable so-called "shacks".

Fearing that this would depreciate the value of their own properties, they were asking if the City had no zoning laws or building restrictions, which would govern such cases.

After considerable discussion relative to this situation, it was moved, seconded and carried that the Council go on record as favoring the enforcement of Ordinance No. 122, especially as pertaining to building permits and the submission of plans to the Council before starting any construction.

Chief Yoder stated that the cost of sending a delegate would probably be about \$ 200.00 of which the R.F.D. would assume half, he thought. He then introduced Mr. Hicks from the State Fire Marshal's office, who spoke briefly on fire matters and hoped Canby would be represented at the convention.
