## Reports of Officers

The report of City Treasurer Eid for the quarter ending Sept. 30 was read by the Recorder and accepted subject to the audit of the Finance Committee.

The Recorder reported 11 cases held in his court during the month, resulting in fines assessed of \$ 192.00-costs \$ 44.50.

Councilman Kraft reported on the operation of the ambulance for September and October, as follows:

Contributions and pay for services	\$ 77.00
Expenses	55.20
	\$ 21.80
Contributed since placed in operation	\$ 5226.84
Expenditures	4695.78
	-----
Balance in operating fund	\$ 531.06

Supt. Raines reported that lights had been ordered for the fire station entrance. but not yet received.

Also stated that the C. & M.A. camp grounds wished to have permanent year around service from the City, but that the P.G.E. was objecting. To install our own lines and poles would cost about \$ 100, and it was thought the returns would not warrant this expenditure.

It was then moved by Porter, seconded by Anderson and carried, that a committee be appointed to work with Mr. Chas. Dunn in the matter of drawing up a contract with the P.G.E. Mayor Eversole appointed the following: Chairman Porter and Supt. Raines and Councilman Irwin.

Councilman Kraft then stated that some new uniform clothes would be needed for the night patrolman and he was instructed to attend to same.

The Council then approved the application of Frank Rice for a renewal state license and the Mayor and Recorder were instructed to sign same.
