

Councilman Koehler of the Road Com. bro't up the matter of drainage, stating that during the recent rains, people had been complaining of pools of water in front of their property and not properly drained off..

Stated that before anything could be done to correct such a condition, levels should be run by a surveyor.

In this connection it was moved by Dedman, seconded and carried that Ralph Milne be asked to attend the next meeting for the purpose of discussing drainage and sidewalk levels.

Councilman Dedman for Health and Police reported having contacted the So. Pacific Co. relative to the dumping of refuse from their cars and stated that they had made other arrangements.

Also suggested that the City should have a day policeman and that auto speeding and bicycle riding should be checked.

In this connection, it was decided to place an adv. in the Canby Herald for a "Utility man" who would also serve as day police.

Mayor Vinyard then bro't up the matter of having a city census taken under the new 1945 Act of Legislature and the recorder was instructed to write the proper State Dept.

It then developed that the change of names of the city streets made several years ago had never been made a matter of record, and the Recorder was asked to record a copy of the ordinance covering same.
