

Mayor Vinyard announced that the Council would meet with the Budget Committee on June 19.

The Recorder was instructed to write the State Highway Commission ~~informing~~ them of the bad condition of some of the streets caused by logging trucks.

Whereupon Councilman Dedman reported on the old cemetery matter, stating that the records showed that in the year 1866, a deed had been recorded, to the citizens of Baker prairie by Joslyn, this piece of ground to be used as a burying ground.

The question now seems to be "who are the present owners". Councilman Dedman said he didn't know.

No other business appearing, on motion, seconded and carried, the meeting adjourned.
