Mr. Lent reported the Latourette springs flowing about 450 gpm.

Fire Chief Kraft reported the Fire Dept. answered three calls during the month. One was a car which was a total loss and two grass fires. Also stated that most of the vacant lots about town had been cleaned up.

A permit requested by the Portland General Electric Co. was left on the table for future consideration.

An Ordinance providing for the erection of vehicular Safety and Stop signs upon the streets of Canby was read by the Recorder. Upon vote of the Council Ordinance was passed on first reading and ordered published.

Mayor Vinyard named the following persons to serve on the Budget Committee: George F. Bates, W. Sandsness, George Cattley, E.A. Krueger, John Koehler, Peter Kylo, Craig Dedman and E.C. Shull.

Motion was made, seconded and carried that the Water Committee be authorized to have specifications drawn for a projecting pumphouse roof and to call for bids on same.

After considerable discussion was decided not to apply to the Public Works Administration for a grant to help develop the Latourette springs property should the City acquire it.

There being no further business on motion the Council adjourned.

Approved October 3rd. 1938.

  
Mayor.

  
Recorder.
