## Reports:

Mr. Lent reported that the electric line had been put up for the connection of an electric stove at Mr Lee's residence. He also reported that the use of the City dump grounds had been made difficult due to people leaving debris along the bank instead of placing it into the pit. The committee recommended that parties known to have left debris on the bank be made to put same into the pit. They also recommended that the debris in the pit be burnt as soon as possible.

Mr. Lent reported further that the fire hydrant at the White Garage had been broken by an automobile driven by Jim Hampton, and that an entire new hydrant would be required to repair the damage, the cost of this repair amounting to about \$ 60.00 After much discussion it was moved, seconded and carried that the Chief of Police secure a warrant for the arrest of Jim Hampton to collect for this damage.

Fire chief Larson reported that he had been called to put out a grass fire at the fair grounds. The Council authorized him to present the Fair with a bill for his services. He also recommended that a fire hydrant equipped with pumper connection be installed at the White corner.

The committee of Police was instructed to secure extra police to work afternoons and evenings during the County Fair.

Mr. Bates reported that the cost of covering the old pump house with waterproof stucco would be about \$165.00 On motion, seconded and carried the committee was instructed to have this work done.

Mr Porter reported that the Cemetary deal that the Association had the following assets Cash in banks \$1,084.00 Surety Bonds \$1,000.00 estimated unsold lots \$1,600.00 Uncollected \$ 240.00. He stated that the Miller farm adjacent to the cemetary could be purchased for \$ 4,000.00 or the Furre farm for \$ 6,000.00 After much discussion this matter was left to the committee for further investigation.

Mr. Porter recommended that steps be taken towards securing new fire fighting equipment, Whereupon the Mayor instructed the Fire-chief to secure specifications and approximate costs and present same at the next meeting of the Council.

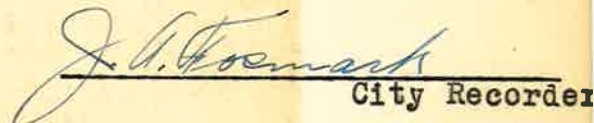

Ordinance No. 65 was then introduced and on motion, seconded and carried was duly passed on it's first reading.

Ordinance No.66 was then introduced, and on motion, seconded and carried was duly passed on it's first reading.

There being no farther business the Council then adjourned.
