Special Meeting.

A special meeting of the Council was held on Thursday Aug. 17, 1933 at 8 O'clock. On roll call there were present City Atty, Wait, Recorder Fosmark, and Councilmen Bates, Cutsforth, Dimick, Graham, Porter and Thompson. Absent Mayor Dedman, Chief of Police Lent and Councilmen Hornig and Meeks.

President of the Council Bates presided in the absence of Mayor Dedman. Mr. Bates stated that the meeting had been called to consider the proposition of oiling the roads. Mr. Dimick reported that he had investigated the proposed work and that it would require one Railroad tank of oil which would cost about \$ 500.00 and the gravel required would cost about the same amount. He stated further that there was not enough money in the road fund and that it would be necessary to transfer money from the Water and Light Sinking Fund in order to do this work. The matter was now discussed at length.

It seeming adviseable to those present that the oiling be done at this time in order protect the work that had already been done on the roads. Where upon it was moved by Graham and seconded by Cutsforth that arrangements be made to transfer the sum of \$ 1,000.00 from the Water and Light Sinking Fund to the Road Fund, Motion carried. There being no further business the Council adjourned.
