J. A. Fosmark, City Recorder.

The supply of water at the springs was now discussed, Mr. Meeks recommended that men be put to work and clean out the springs thoroughly to make sure that the supply would be sufficient before proceeding with any permanent work, it seeming that the flow of the springs now is considerably less than it was a few months ago.

There being no further business the Council then adjourned.

Approved Nov. 6, 1933.

H. A. DEDMAN  
Mayor.

J. A. Fosmark  
City Recorder.
