

A special meeting of the City Council was held on Thursday, Jan. 20 1927 at 8 o'clock, P.M.

On rollcall there were present: Mayor Bair, Chief of Police Lent, Recorder H.B. Evans and Councilmen Bowlsby-Dedman-Garrett-~~Graham~~ Patch-Shewey-White and Zimmerman. Absent, Atty Wait and Councilman Graham.

The Mayor announced that the meeting was called for the purpose of discussing matters pertaining to the new Union High School grounds, the streets leading thereto, etc.

Mayor Bair after making extended remarks with reference to the above, called on the Committee from the Chamber of Commerce who were present.

Mr. Ellis, speaking for the Committee, stated that they favored erecting the new school building considerably to the North of the location contemplated, and that he and Mayor Bair had secured options on more land lying to the west of the north end of the school property, with the idea of buying and deeding to the District, should it be deemed advisable.

Mr. Elmer Gribble, Mr. Belton and Mr. Markee also spoke as members of the Committee, and along the same lines.

After a general discussion, Mayor Bair announced that the accepting or rejecting the offer of the School Board to deed a strip of land to the City to be dedicated as a street would be in order.

Councilman White suggested that rather than take action at this time, it might be well to meet with the School Board and citizens and discuss the advisability of securing more land with the idea of requesting the Board to consider the matter of re-locating the site of the proposed school more to the north.

On motion of Shewey, seconded by White and carried, it was voted to ask the School Board of Union High School District #1, and representatives from the Canby Chamber of Commerce to meet with the Council at 7.30 P.M. Friday, January 21.
