Meters.

The matter of deciding on the kind of meters to be bought in accordance with the recent Ordinance passed being next in order, the several meter salesmen present were invited to "show their stuff."

After the various demonstrations, on motion of Councilman Graham, seconded by White and carried, it was voted that the bid of the Hershey Company be accepted, and that seventy five straight reading meters be ordered at once at a price of \$ 11.82 each.

Whereupon Councilman Dedman suggested and advised that at A and E street intersection with the Pacific Highway, stop signs should be placed, and this matter was left to the Committee on Streets and Public Property with power to act.

Whereupon it was moved and seconded that the Council adjourn. Motion carried.
