Councilman Glyter then told the Council what had been accomplished in the way of work and material secured for the reconstruction of the water works, he also said he wished to know the ideas of the Council in regard to getting steel girders and putting on a fire proof roof to the engine house, thought the cost would be about one hundred and sixty dollars. Moved, seconded and carried that Councilman Glyter be authorized by the Council to secure girders and columns for the roof the vote being unanimous. Councilman Eid from the committee on finance reported that he had sold the moving picture booth for thirty dollars, the action of Mr Eid was confirmed by the Council. Mr Evans from committee on revision of water rates reported at length, he stated that it would be necessary to raise an income of \$4378.00, which would practically mean doubling the present rates. Whereupon an Ordinance regulating the water rates was introduced and upon motion read for the first time and was ordered posted and to come up for its final passage at a special meeting of the Council, December 22nd 1919, Whereupon Council adjourned.
