Ron Tatone appeared before the Commission in the interest of the adoption of the final platt of Tract 47, Camby Gardens sub-division. Discussion followed regarding a 25 foot strip which Garmire had reserved for a utilities easement. Tatone explained to the Commission that said strip was in Tract 46 and did not effect the property sold to King, Pfau and Bedwell. A motion was made by Commissioner Rasmussen, seconded by Woods and carried unanimously to adopt the final platt of Tract 47, Canby Gardens and the Chairman signed the official copy thereof.

Tatone told the Commission that the regulations were being strictly enforced in some instances and ignored in others. The Chairman said he was unaware of the recently adopted ordinance requiring the paving of new streets. The City Recorder then distributed copies of the Ordinance No. 461.

The Recorder reported a conversation with City Attorney Bettis regarding problems involved in the closure of that portion of Elm Street through the school property, in which he said he was fairly certain that no deed restriction existed that would pose a problem but that a title report would be absolute assurance.

The Commission advised him that he could build a single unit residence if he provided a 25 root driveway across his front property to the City Street.
