

Regular Meeting of
Canby City Planning Commission

July 21, 1965

Present were: Commissioners Hulbert, Newton, Rasmussen,
Freeby and Cutsforth; Supt. Cox and the secretary

The meeting was called to order by Chairman Hulbert. Minutes
of the previous meeting were read and approved.

Superintendent Cox told the Commission Mrs. Bentley had again
requested a permit to move her older home from Haines Road
into town. After lengthy discussion, motion was made by
Rasmussen and seconded by Freeby that the Commission recommend
to the City Council that an ordinance be enacted that would
require the inspection of any building proposed to be moved
into town or any existing building in town proposed to be moved
to another location and that any such building would have to
come up to specifications required by the city building code.
Motion carried. On further discussion, the position of the
Commission at its June meeting regarding Mrs. Bentley's request
was reaffirmed.

Commissioner Newton proposed the possibility of working with the
Grade School board in an equitable use of the playground area.

Discussion was had regarding condition of city streets and
possible ways of securing funds for a complete street repair
program, Supt. Cox suggesting a 1¢ levy as a most satisfactory
solution.

There being no further business to come before the Commission,
the meeting was adjourned at 9:25 P.M.

Respectfully submitted:

Secretary
