CANBY PLANNING COMMISSION August 17, 1966

The meeting was called to order at 8:13 by Commissioner Newton in the absence of the Chairman. Minutes of the July 20 and August 3 meetings were approved as read.

The only matter under consideration was the proposed zone change by the Commission along South Ivy Street from R-1 to C-2. After lengthy discussion, and in the absence of two members of the Commission, it was decided each commissioner would be asked to make a thorough study of the area and to be in attendance at the September meeting, at which time a final decision on boundaaries of the zone change would be made.

There being no further business to come before the Commission, the meeting was adjourned at 10:14 P.M. Respectfully submitted:
