

ORDINANCE NO. 823

AN ORDINANCE ADOPTING TEXT AMENDMENTS TO COMPREHENSIVE LAND USE PLAN GOAL 11 PUBLIC FACILITIES AND SERVICES IN PARTIAL FULFILLMENT OF PERIODIC REVIEW TASK 3.

THE TROUTDALE CITY COUNCIL FINDS AS FOLLOWS:

1. The City has been in periodic review since the initial notification from the Oregon Department of Land Conservation and Development (DLCD) on May 20, 2008. The tasks that the City must complete as part of periodic review are governed by its approved periodic review work program. DLCD approved the City's work program on April 15, 2010.
2. The City's approved work program includes tasks related to statewide planning Goal 11, Public Facilities and Services. Specifically identified as Task 3 of the work program, the City is required to prepare and adopt text amendments to Troutdale's Comprehensive Land Use Plan Goal 11 Public Facilities and Services in compliance with Statewide Land Use Planning Goal 11 and Oregon Administrative Rule 660-011- 0010-45. The current text of Goal 11 was adopted September 27, 1990 (Ordinance No. 558-O) during the last periodic review.
3. The City hired a consultant to prepare the Public Facilities Plan which is primarily based on the City's most recently updated and adopted Master Plans for Water and Stormwater, and the Sanitary Sewer Master Plan. Where available, more up-to-date information about the status and cost of needed future facilities has been used.
4. The Citizens Advisory Committee reviewed and discussed the major elements of the amendment in October 2012 and February 2013. The CAC supported the amendment and referred it to the Planning Commission for approval.
5. The Troutdale Planning Commission held public hearings on May 29, 2013 and March 19, 2014 to take public testimony and to make a recommendation to the City Council concerning adoption of the amendments to satisfy requirements of the City's periodic review work program. No public testimony or comments were received prior to the close of the hearing. The Planning Commission unanimously passed its Findings of Fact and Recommendation for adoption of to the Council on March 19, 2014 with the removal of the Jackson Park Road and East Historic Columbia River Highway projects from the Goal that were identified in its decision on the Public Facilities Plan.
6. Adoption of the Goal 11 text amendment satisfies the Comprehensive Land Use Plan text amendment criterion that Statewide Land Use Planning Goals are met. Adoption of the amendment is a required task of the City's periodic review work

program which is part of Statewide Land Use Planning Goals and coordinates with the new Public Facilities Plan.

7. Adoption of the Goal 11 text amendment satisfies the Comprehensive Land Use Plan text amendment criterion that the public need is best satisfied by the particular change.
8. Adoption of the Goal 11 text amendment satisfies the Comprehensive Land Use Plan text amendment criterion in that the adoption will not adversely affect the health, safety and welfare of the community. The policies of Goal 11 address current conditions and future needs in order to foster positive benefits for the community.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF TROUTDALE

Section 1. The text of Troutdale Comprehensive Land Use Plan Goal 11 Public Facilities and Services is hereby amended to read as shown in Attachment A.

Doug Daoust, Mayor

Date 5/28/14

Debbie Stickney, City Recorder

Adopted: May 27, 2014

CITY OF TROUTDALE

**Proposed Amendment to the
Troutdale Comprehensive Land Use Plan**

Amending:

**Troutdale Comprehensive Plan Goal 11
Public Facilities and Services**

Relating to:

Task 3 of the City's Periodic Review Work Program

This project is funded by Oregon general fund dollars through the Department of Land Conservation and Development. The contents of this document do not necessarily reflect the views or policies of the State of Oregon.

Explanation of Amendment. *The text of current Goal 11 of the Troutdale Comprehensive Land Use Plan is being eliminated in its entirety and replaced with the following text and maps.*

GOAL 11 – PUBLIC FACILITIES AND SERVICES

Public Facilities Plan

The Comprehensive Plan provides basic information about water, sanitary sewer and storm drainage facility needs over the next twenty years, including a list of needed projects, maps showing the locations of those projects and policy language regarding coordination with other providers of these services in Troutdale. More detailed information about existing and future public facility needs is found in the City's Public Facilities Plan adopted by the City as an implementing element of this Comprehensive Plan.

Needed Facility Projects

Per Oregon Administrative Rule requirements, the following public facility project list is incorporated in this Comprehensive Plan, consistent with the City's adopted Public Facilities Plan (PFP) and individual infrastructure Master Plans for water, sanitary sewer and stormwater drainage facilities. However, inclusion of this list in the Comprehensive Plan does not result in an obligation on the part of the City to build the projects listed below as described in the PFP or to meet the timeframe listed for the projects in the PFP. The project list is based on known regulatory requirements and current or previous assumptions about growth and the direction of future development. The list is intended only to provide a general indication of the facilities needed to support future growth. If growth trends change, or if new regulations are imposed on the City, or if technologies emerge that satisfy needs using different methods than those assumed in master plans, the City may revise its public facilities investment strategy without amending the Comprehensive Plan or PFP

Sanitary Sewer System

<i>Sewer Pipe Upgrades</i>
Sewer pipe upgrades South Buxton Road
Sewer pipe upgrades Lower Beaver Creek No. 1
Sewer pipe upgrades Lower Beaver Creek No. 2
Sewer pipe upgrades Lower Beaver Creek No. 3
Sewer pipe upgrades Lower Beaver Creek No. 4
Sewer pipe upgrades Lower Beaver Creek No. 5
Sewer pipe upgrades Troutdale Road
Sewer pipe upgrades Airport/Graham Road

Sewer pipe upgrades PS 9 Trunk
Pump Station and Force Main Improvements
Pump Station/Force Main Upgrades PS-1
Pump Station Upgrades PS-2
Pump Station Upgrades PS-5
Pump Station Upgrades PS-7
Pump Station Upgrades PS-9
Sewer System Extensions
Reynolds Industrial Park sewer extension

Water System

Connectivity Projects
Pressure Zone 5 Fire Flow Improvements
Serve South Urban Plan Area
Serve Strebin Farm area
Rehab Booster Pump Sta. #2

Stormwater Planters (Green Streets) SW 21st Avenue (Subbasin BC200)
<i>South Troutdale Road Drainage Projects</i>
Alternative 1 - North of Cochrane Road
Alternative 5 - South of Cochrane Road

Public Facility Provider Policies and/or Agreement

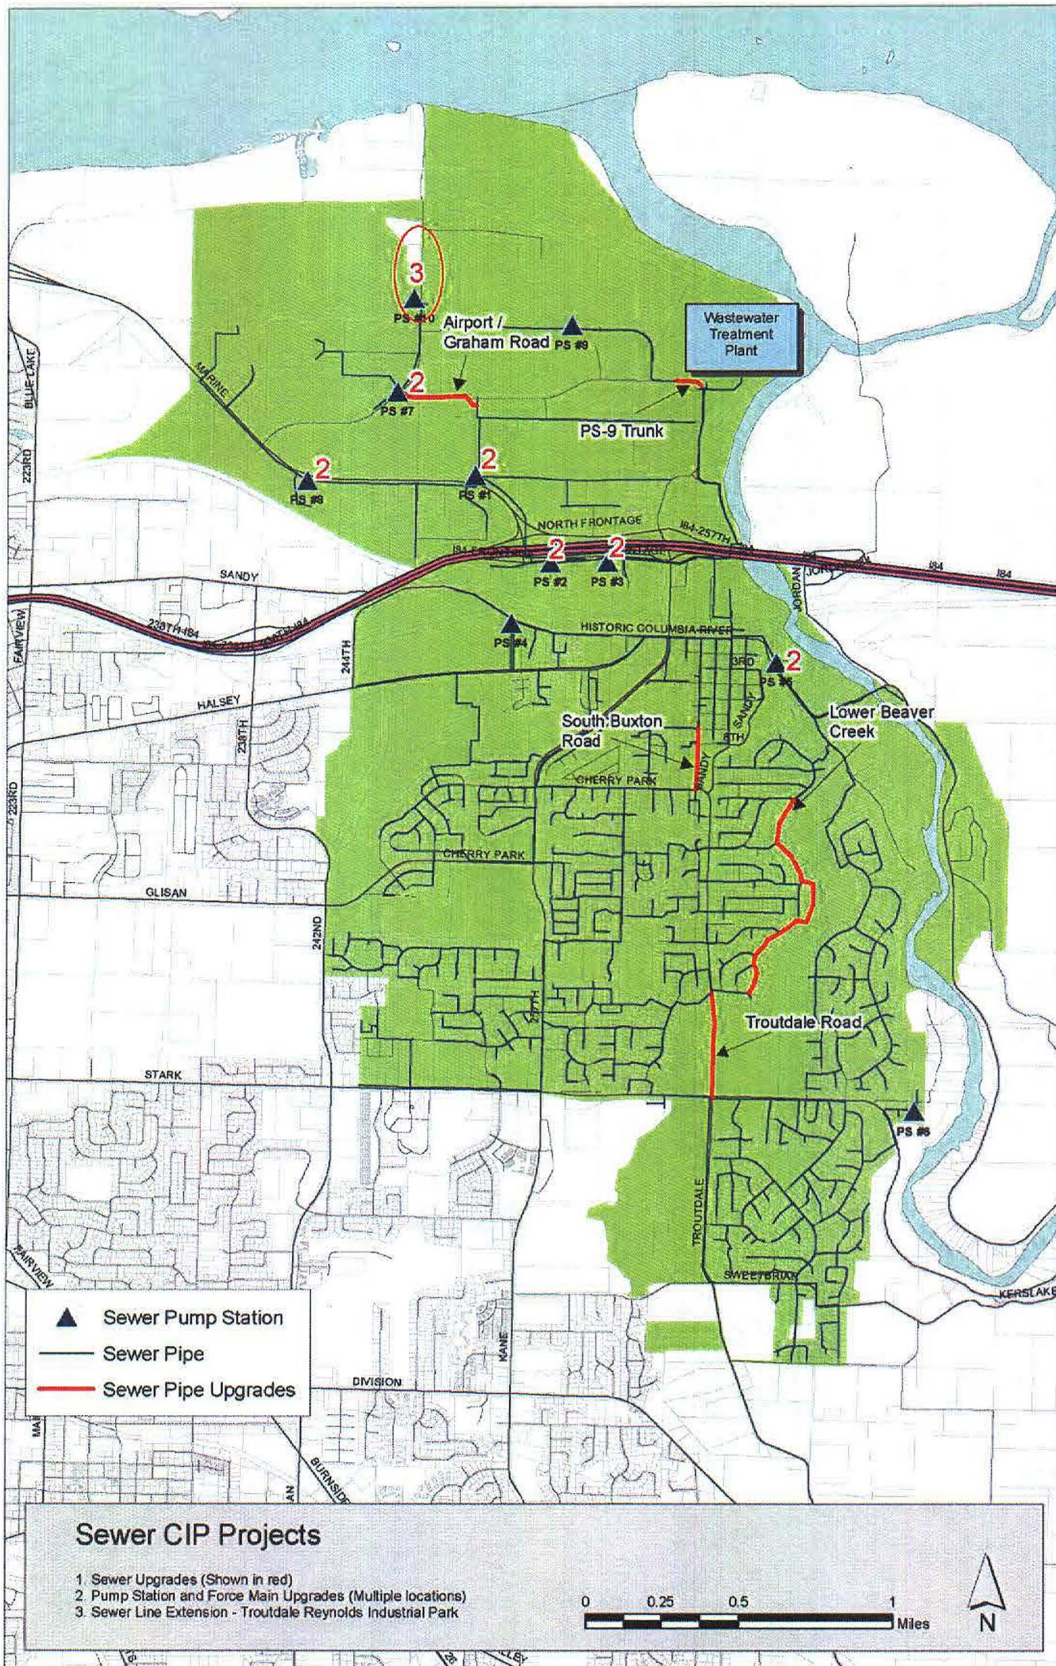

Following is a summary of information related to coordination between the City of Troutdale and other water, sewer and storm drainage providers in the area.

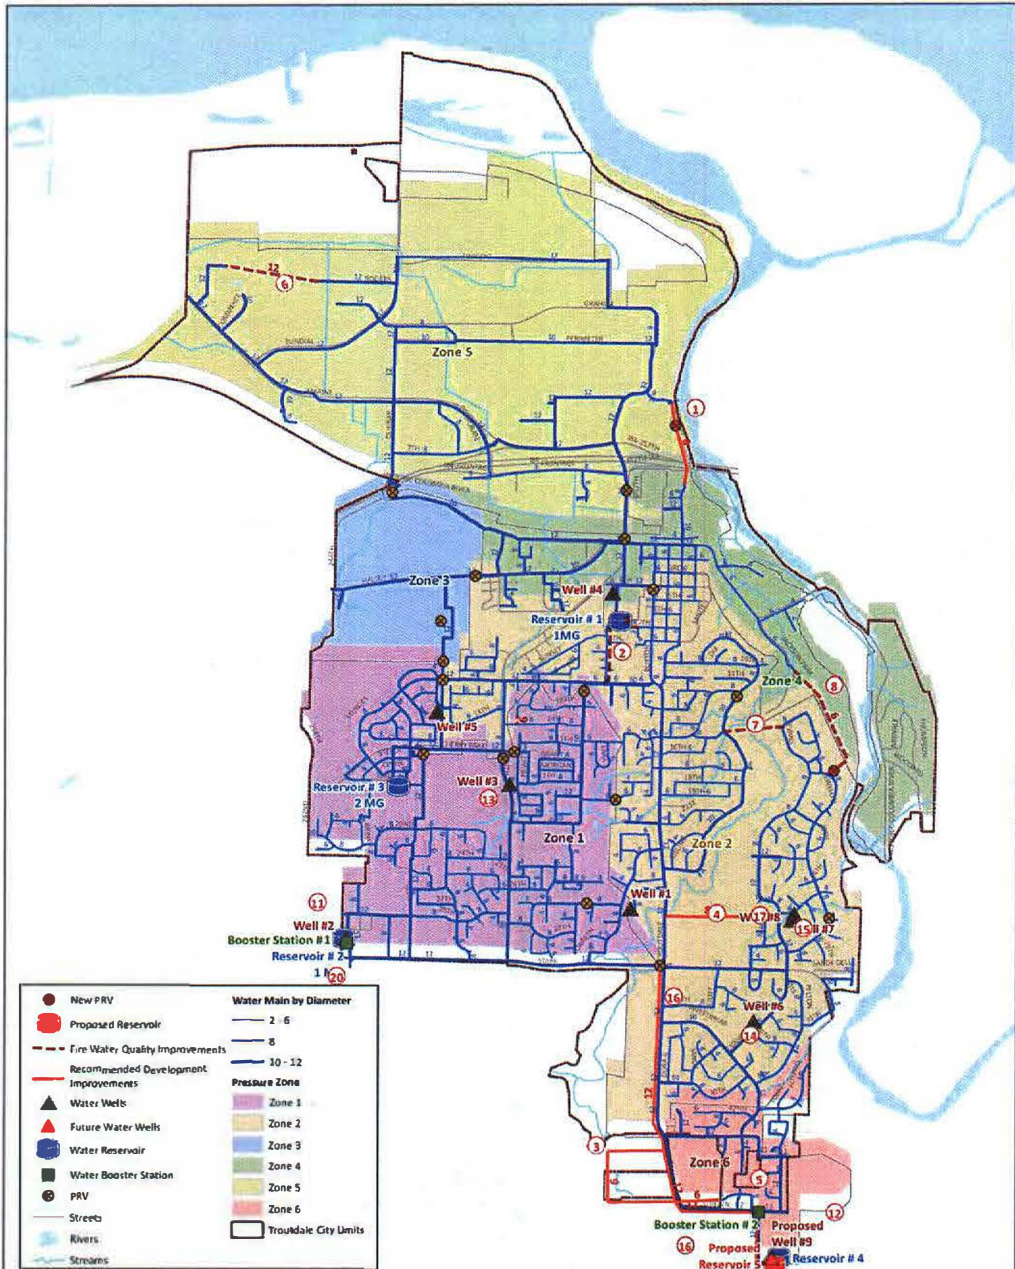

- **Water Services.** The City of Troutdale is the sole provider of potable water services within the boundaries of the City. It has interties and emergency service agreements with the cities of Gresham, Fairview and Wood Village.
- **Sanitary Sewer Services.** The City of Troutdale is the sole provider of sanitary sewer services within the boundaries of the City.

- **Storm Drainage.** The City is the primary provider of storm drainage services within the City. Multnomah County and the Oregon Department of Transportation provide storm drainage facilities associated with their respective roadways, and in certain cases the City and County systems interconnect. The Sandy Drainage Improvement Company provides storm drainage and flood control facilities and services in the North Troutdale area in conjunction with the City's systems, as described in the Public Facilities Plan and the North Troutdale Storm Drainage Master Plan. The City coordinates storm drainage services with that District pursuant to those plans, as well as with the Oregon Department of Environmental Quality, the Oregon Department of Transportation, Multnomah County, neighboring jurisdictions, and City residents.

Maps of Needed Projects

The maps that follow show the location of needed projects for the City's water, sanitary sewer, and storm drainage systems.
