

A RESOLUTION TO AUTHORIZE THE PURCHASE OF EQUIPMENT HAVING A VALUE IN EXCESS OF \$5,000

FINDINGS: Common Council of the City of Troutdale hereby finds that:

- (1) City of Troutdale has a need for a 1964 Chevrolet 10 yard dump truck.
- (2) A used model of the aforesaid piece of equipment is available and offered for sale at the price of \$5,000 only through Joseph Keller.
- (3) The lack of bids in this case will not result in any favoritism to any merchant, contractor, seller or other party.
- (4) The purchase of the aforesaid piece of equipment at the offered price will result in substantial cost savings due to the low offered price, uniqueness of the equipment, and the relatively limited availability of similar or like equipment.

NOW THEREFORE, BE IT FURTHER RESOLVED THAT: The Common Council of the City of Troutdale hereby acting as a local contract review board authorizes the purchase of the equipment as above described at the price of \$5,000.

Adopted by the Common Council of the City of Troutdale this 9th day of August 1977.
