

RESOLUTION NO. 286

A RESOLUTION ACCEPTING THE REPORT ENTITLED "257/KANE ROAD DESIGN ANALYSIS".

WHEREAS, STRAAM Engineers, Inc. was contracted as part of a Land Conservation and Development Grant to analyze and recommend design guidelines for the improvements to Kane Road; and,

WHEREAS, the analysis and recommendations are contained in the report entitled "257/Kane Road Design Analysis"; and,

WHEREAS, this report has been reviewed by the Planning Commission, who have recommended its acceptance; and,

WHEREAS, there is a need for the City Council to formally adopt this report in order that the City and County may begin to use the guidelines contained with the report as the community develops;
NOW, THEREFORE,

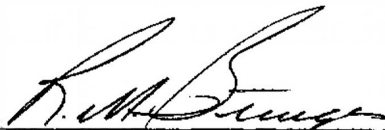

BE IT HEREBY RESOLVED BY THE COMMON COUNCIL OF THE CITY OF TROUTDALE THAT:

The report entitled "257/Kane Road Design Analysis", completed by STRAAM Engineers, Inc., is hereby adopted by the Common Council for use in the future planning and design of Kane Road.

PASSED BY THE COMMON COUNCIL OF THE CITY OF TROUTDALE THIS 7th
DAY OF August, 1979.
