

RESOLUTION NO. 315

A RESOLUTION COMMENDING WALTER MACKEY FOR HIS YEARS OF SERVICE ON THE TROUTDALE PLANNING COMMISSION

WHEREAS, Membership on the Planning Commission is the continuation of a long tradition that began in the town meetings of the first settlers, who came forward to give their time and common sense in unpaid service to their hometowns, and

WHEREAS, Serving on the Planning Commission is a responsibility involving no pay, hours of volunteer work, and much diligence and patience, and

WHEREAS, Serving on the Planning Commission involves a difficult and arduous task of adjudicating differences between public interest and private rights, making recommendations or decisions involving millions of dollars in real estate, making decisions which will have profound effects upon the environment in which we live, and dealing with technically complex issues touching upon profound and fundamental concerns to the society whose consequences are far reaching, and

WHEREAS, Planning Commission members often serve with little or no thanks from the public at large or from the legislative bodies which they serve, and

WHEREAS, Mr. Mackey has served on the Planning Commission for a number of years, diligently performing the tasks of a Planning Commissioner in a professional and cooperative manner, and

WHEREAS, Such service to the community is appreciated by the City Council and by the whole community

NOW, THEREFORE, Be It Resolved that Mr. Mackey be commended and recognized for his years of service on the Troutdale Planning Commission, and

BE IT FURTHER RESOLVED THAT City Council wishes to express its deep appreciation for said service to the public.

PASSED BY THE COMMON COUNCIL OF THE CITY OF TROUTDALE THIS 5th DAY  
OF February, 1980.
