

RESOLUTION NO. 1098-94

A RESOLUTION AUTHORIZING THE AWARD OF A CONTRACT TO DRILL WATER WELL #8

WHEREAS, the City obtains all of its public water supply from groundwater by means of City owned-and-operated wells; and

WHEREAS, a Water Master Plan prepared for the City estimates that our growth will require an additional well by 1995-96 to meet the peak demand in Zones I, II, and III; and

WHEREAS, the City's consultant, Economic and Engineering Services, Inc. has recommended a site in Sandee Palisades Park near Well #7 as the best site for a new well, and that site has been approved by the City; and

WHEREAS, the City has obtained technical approval for its Water Rights Application from the Water Resources Department and a public comment period on that application received no unfavorable comments, so that granting of a Water Rights Permit appears likely; and

WHEREAS, an Advertisement for Bids has been published, bids have been received and opened, and the results have been properly analyzed; and

WHEREAS, City staff and our Consulting Engineer recommend the award to the lowest responsible bidder.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF TROUTDALE THAT:

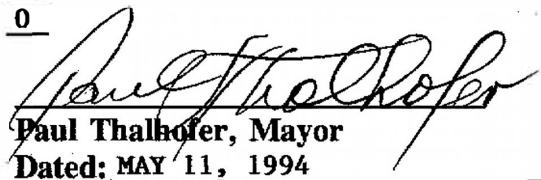

The Mayor is authorized to enter into a contract to drill Water Well #8 with the lowest responsible bidder, Schneider Equipment, Inc., and staff is authorized to issue the appropriate "Notice to Proceed" upon receipt of the required contract documents.

ADOPTED BY THE COMMON COUNCIL OF THE CITY OF TROUTDALE THIS 10TH DAY OF MAY, 1994.
