

RESOLUTION NO. 1233

A RESOLUTION DEDICATING THE USE OF THE WASTE WATER TREATMENT PLANT STORAGE BUILDING EXCLUSIVELY FOR WASTE WATER PURPOSES AND NOT FOR ANY OTHER GENERAL CITY USE.

WHEREAS, it was found that the construction of this storage building, built inside the Waste Water Treatment Plant, was necessary to meet the demands of public health, safety, and welfare; and

WHEREAS, one of the conditions of the loan given to the City of Troutdale by the Oregon Economic Development Department (OEDD) was to dedicate the use of this building for waste water purposes only and not for any other City use; and

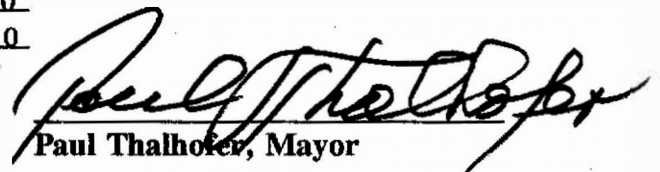

WHEREAS, the City of Troutdale has complied with all other non-monetary conditions of this loan set forth by OEDD and agreed upon by the City; and

WHEREAS, the Troutdale City Council, by resolution, previously accepted this storage building as part of the City's fixed asset system as part of the Waste Water Treatment Plant Improvements Phase I.

NOW THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TROUTDALE

That by way of this resolution, the City of Troutdale agrees to exclusively use the waste water treatment plant storage building for waste water related uses and needs and not for any other City use unrelated to waste water.
