

RESOLUTION NO. 1263

A RESOLUTION ACCEPTING THE CONSTRUCTION OF WHEELCHAIR RAMPS AND A DRIVEWAY STRUCTURE AND ACCEPTING THEM INTO THE CITY'S FIXED ASSET SYSTEM

WHEREAS, it was found that certain locations in the city were in need of wheelchair ramp structures to provide accessibility for all citizens and visitors of the City; and

WHEREAS, the city was able to obtain a Community Development Block Grant to fund a portion of the project; and

WHEREAS, a consultant was selected and the project was designed, competitive bids were advertised for and received and a contract for construction was awarded; and

WHEREAS, it was discovered during this project that a driveway approach structure had been omitted from a previous street improvement project on SE Harlow Ave.; and

WHEREAS, it was determined by city staff that it would be economically advantageous to correct this error in conjunction with the wheelchair ramps construction; and

WHEREAS, 44 wheelchair ramps and one driveway approach were constructed; and

WHEREAS, City staff has inspected the wheelchair ramps and the driveway approach and found them to be in compliance with the project plans and specifications and the City of Troutdale Construction Standards for Public Works Facilities.

NOW THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TROUTDALE

That these new structures are hereby accepted into the City's fixed asset system, valued as follows:

44 wheelchair ramps and one driveway approach altogether valued at \$55,137.00
