

RESOLUTION NO. 1268

A RESOLUTION RECOGNIZING THE COMPLETION OF THE WELL # 8 PUMP STATION AND ACCEPTING IT INTO THE CITY'S FIXED ASSET SYSTEM.

WHEREAS, it was found that improvements to these public facilities were necessary to meet the demands of public health, safety and welfare; and

WHEREAS, these improvements were also necessary to meet the demands from new construction the City has experienced throughout the last several years; and

WHEREAS, these improvements consist of all of the mechanical components to adequately pump water from the well including the main pump, piping, valves, chlorinating system, electrical controls, telemetry and its underground vault; and,

WHEREAS, all these improvements were inspected by City staff and the engineering firm hired to design this project; and

WHEREAS, all improvements were found to be in accordance with the Troutdale City Standards, construction plans and specifications; and

WHEREAS, the construction of these public improvements has been completed.

NOW THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TROUTDALE

That Well #8 Pump Station, along with all of its mechanical and electrical components to make this water well fully functional, valued at \$ 227, 073.43, be accepted into the City's fixed asset system.
