

RESOLUTION NO. 1317

A RESOLUTION ENDORSING THE MT. HOOD PARKWAY ALTERNATIVES ANALYSIS DATED AUGUST, 1996, AND ENDORSING ODOT'S SELECTION OF ALTERNATIVE 2 (HOGAN CORRIDOR WITH LIDS) AS THE PREFERRED CORRIDOR

WHEREAS, the Oregon Department of Transportation (ODOT) has conducted a comprehensive examination of the benefits and environmental consequences of three Parkway Build Alternatives (Hogan Corridor without lids, Hogan Corridor with lids, and the Troutdale Corridor) and a No Build Alternative; and

WHEREAS, ODOT, as a result of its Mt. Hood Parkway Alternatives Analysis, dated August 1996, has recommended the selection of Alternative 2 (Hogan Corridor with lids) as the preferred corridor; and

WHEREAS, the Hogan Corridor for the Mt. Hood Parkway is identified in the Troutdale Transportation System Plan; and

WHEREAS, East Multnomah County Transportation Committee has been an active participant in the development of the Mt. Hood Parkway through public involvement efforts and citizen and technical advisory committees since 1978 and has endorsed the Mt. Hood Parkway Alternatives Analysis dated August, 1996, and recommended the selection of Alternative 2 (Hogan Corridor with Lids) as the preferred corridor; and

WHEREAS, the Mt. Hood Parkway Technical Advisory and Citizens Advisory Committees have also endorsed the Mt. Hood Parkway Alternatives Analysis dated August, 1996, and recommended selection of Alternative 2 (Hogan Corridor with Lids) as the preferred corridor.

NOW THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TROUTDALE

The City of Troutdale endorses the Mt. Hood Parkway Alternatives Analysis, dated August 1996, and endorses ODOT's selection of Alternative 2 (the Hogan Corridor with Lids) as the preferred corridor.
