

**RESOLUTION NO. 1449**

**A RESOLUTION ACCEPTING THE DEDICATION OF A TEN-INCH AND AN EIGHT-INCH DIAMETER DUCTILE IRON WATER MAIN FROM THE REYNOLDS SCHOOL DISTRICT AND THE CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS AND ADDING THEM TO THE CITY'S FIXED ASSET SYSTEM.**

**THE TROUTDALE CITY COUNCIL FINDS AS FOLLOWS:**

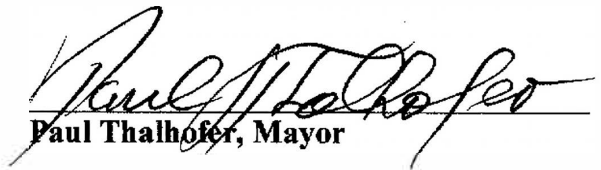

1. The acceptance of ten-inch and eight-inch water mains was found to be in the best interest of the City to meet the demands of public health, safety and welfare.
2. The Reynolds School District and the Church of Jesus Christ of Latter Day Saints of Troutdale, legal owners of an underground water utility system, wish to dedicate this utility to the City of Troutdale at no monetary cost to the City. Said owners indicate relinquishment of all interest by written documents submitted and now found in the City's file labeled "15B 4 Reynolds High School / LDS Church – Waterline Ownership Transfer" in the Public Works Department.
3. Records indicate that these water mains were constructed under the supervision of personnel from the Public Works Department, and all the work was found to be in conformance to the Troutdale City standards with the intent for this ownership transfer.
4. City staff found this ownership transfer request from these two private enterprises to be in order, and recommends acceptance into the City's fixed asset system.

**NOW THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TROUTDALE**

That the following water system be accepted from the Reynolds School District and the Church of Jesus Christ of Latter Day Saints into the City's fixed asset system at an estimated worth as follows:

450 lf of ten-inch ductile iron water line @	\$18,000
100 lf of eight-inch ductile iron water line @	4,500
1 LS Fire hydrant, valve and appurtenances @	<u>4,000</u>
TOTAL	\$ 26,500
