**THE TROUTDALE CITY COUNCIL FINDS AS FOLLOWS:**

1. In January 2000, the City Council enacted Resolution No. 1467 approving Intergovernmental Agreement No. 0010834 with Multnomah County to share costs and delineate responsibilities for the Troutdale Road Sidewalk Project, which would provide sidewalks, pavement widening, drainage structures, and related improvements on Troutdale Road between Cherry Park Road and Chapman Avenue. The original design completion was scheduled for March 31, 2000, with the overall termination date of the Agreement being June 30, 2001.
2. In June 2000, the City Council enacted Resolution No. 1498 approving Amendment No. 1 to Intergovernmental Agreement No. 0010834 to provide for time and cost increases associated with a City request to include in the project the placement of conduit for future undergrounding of utilities. The revised design completion was scheduled for May 31, 2000, with the overall termination date of the Agreement remaining June 30, 2001.
3. In March, 2001, the City Council enacted Resolution No. 1544 approving Amendment No. 2 to the Intergovernmental Agreement extending the termination date to December 30, 2001.
4. Additional delays have caused the County to request another time extension, with the new termination date proposed to be June 30, 2002.
5. The City is willing to agree to the requested change.
