

## RESOLUTION NO. 1800

### A RESOLUTION ESTABLISHING SOLID WASTE COLLECTION FEES RELATED TO SERVICE USING RECYCLE ROLL CARTS AND AMENDING RESOLUTION #1682

#### THE TROUTDALE CITY COUNCIL FINDS AS FOLLOWS:

1. The current practice of setting out recyclable materials for pickup in open containers contributes to windblown trash. Use of roll carts with lids for collection of recyclable materials will help reduce the amount of windblown trash and debris within the City.
2. The City's franchised solid waste hauler, Waste Management, Inc., does not currently offer this service to Troutdale customers, but can do so on a subscription basis to residents electing to use such service for an additional monthly fee.
3. In order to implement service using recycle roll carts, it is necessary to establish fees for the new service.

#### NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TROUTDALE

Section 1. The rates shown on Attachment A (Solid Waste Collection Fees Including Recycle Roll Cart Subscription Option) shall replace Section 1, Curbside Rates, of the March 1, 2004 solid waste collection fee schedule.

Section 2. This resolution shall take effect upon adoption.
