### PORTLAND METROPOLITAN AREA TRANSPORTATION (PMAT) CO-OPERATIVE INTERGOVERNMENTAL AGREEMENT FOR EQUIPMENT AND SERVICES

This AGREEMENT is made between the SIGNED PARTIES pursuant to the authority provided by ORS Chapter 190 and shall be referred as the PMAT-IGA (Portland Metropolitan Area Transportation Co-operative Intergovernmental Agreement)

#### WHEREAS:

1. Each PARTY owns certain equipment and materials, and provides services that may be useful to another PARTY for public works, construction, operations, maintenance and related activities; and
2. The PARTIES agree that sharing equipment, materials, and services promotes the cost-effective and efficient use of public resources; and
3. The PARTIES desire to enter into an AGREEMENT to establish procedures for sharing equipment, materials and services, and defining legal relationships and responsibilities. Therefore, in consideration of the mutual covenants herein, it is

#### AGREED:

1. The PARTIES shall make available to each other vehicles, equipment, machinery, materials, related items and/or services in the manner and on the terms and conditions provided herein. The vehicles, equipment and machinery covered by this AGREEMENT shall only be such items appropriate for public works, construction, and shall not include regular automobiles. The PARTY supplying the services or the vehicles, machinery and equipment shall be designated as the "PROVIDER" herein. The PARTY receiving the services or assuming the use of vehicles, machinery or equipment shall be designated as the "USER" herein.
2. An EQUIPMENT SHARING CATALOG will be provided by each PARTY to the others to describe current rental rates. Supplies will be charged at PROVIDER'S invoice cost plus an established administrative fee, or may be replaced by the USER.
3. An estimate for specific services will be supplied by the PROVIDER at the request of the USER. Service PROVIDERS shall maintain an accurate cost accounting system, track expenditures and provide monthly billing to USER. PROVIDER'S invoices will be paid by USERS in full within thirty (30) days of billing.
4. Services, equipment or materials shall be provided upon reasonable request at mutually convenient times and locations. The PROVIDER retains the right to refuse to honor a request if the equipment or materials are needed for other purposes, if providing the equipment or materials would be unduly inconvenient, or if for any other reason, the PROVIDER determines in good faith that it is not in its best interest to provide a particular item at the requested time. Equipment shall be returned immediately at PROVIDER'S request.
5. The USER receiving the equipment shall take proper precaution in its operation, storage and maintenance. Equipment shall be used only for its intended purpose. The USER shall permit the equipment to be used only by properly trained, properly licensed, and supervised operators. The USER shall be responsible for equipment repairs necessitated by misuse or negligent operation and for the maintenance and/or replacement of high wear items (i.e., milling machine teeth, etc.). The USER shall not be responsible for scheduled preventive maintenance (P.M.) unless equipment hours used exceeds the P.M. schedule periods and has been agreed by the PROVIDER. The USER shall perform and

document required written maintenance checks prior to and after use and shall provide routine daily maintenance of equipment (i.e., fluid checks, lubricating, etc.) during the period in which the equipment is in USER's possession.

6. PROVIDER shall endeavor to provide equipment in good working order and to inform USER of any information reasonably necessary for the proper operation of the equipment. The equipment is provided "as is", with no representation or warranties as to its condition or its fitness for a particular purpose. USER shall be solely responsible for selecting the proper equipment for its needs and inspecting equipment prior to use. It is acknowledged by the PARTIES that the PROVIDER is not in the business of selling, leasing, renting or otherwise providing equipment to others and that the PARTIES are acting only for their mutual convenience and efficiency.
7. The PARTIES shall provide equipment or materials storage to each other, at no charge, upon request when mutually convenient. It is recognized that such storage is for the benefit of the PARTY requesting it. The PARTY storing the equipment or materials shall be responsible for providing a reasonably safe and secure area and not responsible nor liable for theft or damage.
8. The PROVIDER may require, in its sole discretion, that only PROVIDER's personnel operate equipment. In so doing, PROVIDER shall be deemed an independent contractor and PROVIDER's employees shall not be deemed employees of USER. The PROVIDER's operator shall perform under the general direction and control of the USER, but shall retain full control over the manner and means of using the equipment.
9. For the purposes of this AGREEMENT, the PARTIES are independent contractors. Nothing herein shall alter the employment status of any workers providing services under this AGREEMENT. Such workers shall at all times continue to be subject to all standards of performance, disciplinary rules and other terms and conditions of their employer. No USER shall be responsible for the direct payment of any salaries, wages, compensation or benefits for PROVIDER's workers performing services to USERS under this AGREEMENT.
10. Each PARTY shall be solely responsible for its own acts and those of its employees and officers under this AGREEMENT. No PARTY shall be responsible or liable for consequential damages to another PARTY arising out of providing or using equipment or services under this AGREEMENT. PROVIDERS requiring that their personnel operate equipment shall, within limits of the Oregon Constitution and the Oregon Tort Claims Act, hold harmless, indemnify and defend the USER, its officer, agents and employees from all claims arising solely by reason of any negligent act by persons designated by PROVIDER to operate equipment. Notwithstanding the above, the USER shall bear sole responsibility for ensuring that it has the authority to request the work, for its designs and for any representations made to the PROVIDER regarding site conditions or other aspects of the project. The PROVIDERS of the equipment shall adequately insure the equipment or provide self-insurance coverage.
11. Any PARTY may terminate its participation by providing thirty (30) days written notice to the other PARTIES. Any amounts due and owing by a terminating PARTY shall be paid within thirty (30) days of termination.
12. Nothing herein shall be deemed to restrict authority of any of the PARTIES to enter into separate AGREEMENTS governing the terms and conditions for providing equipment or services on terms different than specified herein.
13. Any OREGON PUBLIC ENTITY may become a PARTY to this AGREEMENT. Each PARTY in accordance with the applicable procedures of that PARTY shall approve this AGREEMENT. This AGREEMENT will be executed separately by each PARTY and shall be effective as to each PARTY and binding among all the PARTIES that have signed this AGREEMENT on the date of execution and sending a copy of the signed AGREEMENT to Multnomah County which is overseeing the administration of the PMAT-IGA.
14. This AGREEMENT may be amended by written amendment signed by all of the PARTIES.
