I certify that the votes recorded on this abstract correctly summarize the tally of votes cast at the election indicated.

John Kauffman, Director of Elections
Multnomah County, Oregon

Public Notice
NOTICE OF ELECTION
City of Troutdale
Multnomah County, Oregon

NOTICE IS HEREBY GIVEN that on May 16, 2006, an election will be held in Multnomah County, Oregon. The following question will be submitted to the qualified voters:

City of Troutdale

CAPTION:
Troutdale Riverfront Renewal Plan

QUESTION:

Should the Troutdale Riverfront Renewal Plan be approved to implement development using urban renewal and tax increment financing?

SUMMARY:

This measure approves the Troutdale Riverfront Renewal Plan, which enables the City to implement development of the old sewage treatment plant site (STP site) using urban renewal and tax increment financing. If the Riverfront Renewal Plan is approved, tax increment financing may be used to pay a portion of the costs to redevelop the STP site with a riverfront park, a public plaza, public parking facility and a pedestrian overpass connecting the historic downtown with the redeveloped site. If the Riverfront Renewal Plan is not approved, tax increment financing is not available to redevelop the STP site. Some of the public improvements may not be funded without tax increment financing.

Debbie Stickney
City Recorder
