

RESOLUTION NO. 1872

A RESOLUTION ADJUSTING WATER USER FEES AND RESCINDING RESOLUTION NO. 1140

THE TROUTDALE CITY COUNCIL FINDS AS FOLLOWS:

1. The current water user fees were established by Resolution No. 1140 dated November 23, 1994 and effective January 1, 1995.
2. Since the enactment of Resolution No. 1140, there have been increases in the costs of personnel, materials, services, and reimbursements to other funds. In addition, the City intends to drill two new wells and construct two new well houses, with approximately seventy-five percent of the costs coming from the Water Fund. The water commodity charge adjusted by this Resolution is intended to help meet those increased costs.
3. The hydrant meter rental charge is also adjusted by this Resolution to more closely align with the time and material involved in the transaction.
