

RESOLUTION NO. 1910

A RESOLUTION ESTABLISHING SOLID WASTE COLLECTION FEES IN CONJUNCTION WITH THE FRANCHISE AGREEMENT WITH WASTE MANAGEMENT OF OREGON AND REPEALING RESOLUTIONS NO. 1682 AND 1800

THE TROUTDALE CITY COUNCIL FINDS AS FOLLOWS:

1. Solid waste collection rates were last adjusted in March 2004 by Resolution No. 1682 and amended in March 2006 by Resolution No. 1800 only to establish rates for optional roll cart containers for recyclable materials. Since 2004 a variety of factors have had a significant impact on the cost of service delivery. Higher disposal fees, labor costs and fuel costs, together with the costs to administer new recycling programs, have all contributed to the need for rate increases.
2. The Troutdale City Council approved a new franchise agreement with Waste Management of Oregon on November 13, 2007. The franchise agreement specifies terms and conditions for solid waste collection services that affect customer rates.
3. The franchise agreement calls for expanded residential services including use of roll carts for all types of solid waste -- garbage, recyclable materials, and yard debris -- and for optional off-curb collection.
4. In order to implement new services specified in the franchise agreement and to account for inflationary costs since the last rate adjustment in 2004, it is necessary to establish a new rate schedule for solid waste collection services.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TROUTDALE

- Section 1. The rates for solid waste collection shall be as shown in Attachment A (City of Troutdale Solid Waste and Recycling Collection Fees) and shall become effective on March 1, 2008.
- Section 2. Resolution No. 1682 and Resolution No. 1800 are hereby repealed upon the effective date of this resolution.
- Section 3. This resolution shall take effect on March 1, 2008.
