

RESOLUTION NO. 2225

A RESOLUTION RE-ADOPTING THE PUBLIC WORKS DEPARTMENT CAPITAL IMPROVEMENT PLANS FOR STORM SEWER AND WATER PREVIOUSLY ADOPTED ON MARCH 12, 2013 AND RESCINDING RESOLUTION NO. 2197 DUE TO A SCRIVENER'S ERROR.

THE TROUTDALE CITY COUNCIL FINDS AS FOLLOWS:

1. ORS 223.309 requires local governments that have system development charges to prepare a capital improvement plan that includes a list of the capital improvements that the local government intends to fund, in whole or in part, with revenue from system development fees.
2. The capital improvement plans attached to this resolution are intended to comply with ORS 223.309.
3. The capital improvement plans attached to this resolution provide information regarding planned major maintenance and repair projects for the storm sewer and water systems.
4. The capital improvement plans attached to this resolution were originally adopted on March 12, 2013 by virtue of Resolution No. 2197, but said resolution contained a scrivener's error in Section 2 which inadvertently rescinded the previous CIP in its entirety. The intent of that Resolution was to rescind only the storm sewer and water portions of the previous CIP.

NOW THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TROUTDALE

Section 1. The City of Troutdale Public Works Department Storm Sewer and Water Capital Improvement Plans dated February 2013, which are attached hereto and made a part hereof, are adopted.

Section 2. Resolution No. 2197 is rescinded.

Section 3. The previous version of the Public Works Department Storm Sewer and Water Capital Improvement Plans, adopted in May 2009, are rescinded.

Section 4. This resolution shall be effective immediately upon adoption.

CAPITAL IMPROVEMENT PROJECT LIST			February 11, 2013	STORM SEWER			Page 1 of 2	
PROJECT	Design Estimate	Construction Estimate	Fund	Replacement/ Maintenance	Capacity Enhancing SDC Eligible	Year estimated	Description	Source of Project
North Graham Storm Sewer Improvements	NA	\$550,000	15.00 Storm Imp	NA	\$550,000	13-14	Port will utilize funds for a complete upgrade of N Graham Road	Staff
Beaver Creek Storm Drainage	NA	\$100,000	15.00 Storm Imp	NA	\$100,000	13-14	Beaver Creek Culverts; Execution by Army Corps.w/ County & Metro	County, Army Corps
<u>North Troutdale Storm Master Plan</u>								
MCDD Improvements Salmon Creek Weir	NA	\$130,000	15.00 Storm Imp	NA	\$130,000	13-14	MCDD will utilize the funds for the project	2007 N Trtdl Storm MP
North Arata Creek Drain Line Improvement from Marine Dr to Salmon Creek	\$50,000	\$600,000	15.00 Storm Imp / 17.00 Storm	NA	\$650,000	15-16	Install 160' of 48" CMP under the railroad and 520' of 48" PVC Drain Line.	2007 N Trtdl Storm MP
South Arata Creek Culvert Improvement	\$40,000	\$325,000	15.00 Storm Imp / 17.00 Storm	NA	\$365,000	16-17	Install 470' of 36" Culvert where Arata Creek crosses the railroad.	2007 N Trtdl Storm MP
Columbia River Highway Bypass Improvement	\$75,000	\$350,000	15.00 Storm Imp / 17.00 Storm	NA	\$425,000	14-15	Install a bypass where future flows leave the drainage area north or Halsey.	2007 N Trtdl Storm MP
Marine Drive Curve & Bypass South of Airport	\$50,000	\$625,000	15.00 Storm Imp / 17.00 Storm	NA	\$675,000	17-18	Install 2100' of 36" drain N of and parallel to Marine Drive and an additional 150' of 36" culvert crossing Marine Drive.	2007 N Trtdl Storm MP
<u>South Troutdale Storm Master Plan</u>								
<u>Integrated Flood Control / Water Quality</u>								
WQFC_01 LID Pilot Project	\$50,000		15.00 Storm Imp / 17.00 Storm	?	\$50,000		Flooding is anticipated during the 25-year event downstream of this proposed project. Implementing a surface Infiltration project would provide water quality treatment and potentially remove the need for pipe upsizing in SW 257th Ave. Requires coordination with Mult. Co. and private property owners.	2012 S Trtdl Storm MP
<u>Integrated Flood Control</u>								
FC_01 Plan Upsizing on SE 3rd and SE Dora St	\$30,000	\$101,000	15.00 Storm Imp	NA	\$131,000		Upsize pipe on SE Dora and SE 3rd Street	2012 S Trtdl Storm MP
FC_02 Curb Installation	NA	\$2,500	17.00 Storm	\$2,500	NA	13-14	Install approximately 50-ft of curb in the stub street off of SE 15th to provide some storage capacity in the street	2012 S Trtdl Storm MP
FC_03 Pipe Upsizing on SE 21st Street	\$24,500	\$81,600	15.00 Storm Imp	NA	\$106,100		Upsize pipe on SE 21st	2012 S Trtdl Storm MP
FC_04 Pipe Upsizing on NW 257th Ave.	\$121,000	\$402,000	15.00 Storm Imp	NA	\$523,000		Upsize pipe in SW 257th Ave. Alternate project is WQFC_01. Coordinate with Mult. Co.	2012 S Trtdl Storm MP
