

RESOLUTION NO. 2427

A RESOLUTION RENAMING A SEGMENT OF NW GRAHAM ROAD AS NW 257TH DRIVE

THE TROUTDALE CITY COUNCIL FINDS AS FOLLOWS:

1. Intergovernmental Agreement (IGA) No. 301755 between the City and Multnomah County was approved by the City Council via Resolution No. 1155 on January 24, 1995. The IGA established that the County will be responsible for arterial and collector roads that support regional travel and that cities will be responsible for local streets and access to the regional system.
2. Among the roads the City maintains jurisdiction is NW Graham Road, of which maintenance responsibility begins at the interchange with NW Frontage Road at the Interstate 84 freeway exit, heading in a northerly direction before turning westerly to terminate at NW Sundial Road.
3. Because Graham Road is both north-south and east-west in its direction, address assignments along Graham Road are inconsistent and not in a consistent numerical sequence, which has led to difficulties in providing directions, assigning addresses and responding to emergencies.
4. NW Graham Road is an assumed continuation of the northern terminus of NW 257th Drive and signage in the surrounding areas suggest that utilizing NW 257th Drive would be minimally impactful to residents, businesses, and visitors.
5. The City Council desires to change the north-south alignment of NW Graham Road to NW 257th Drive to comply with the City's address grid system.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TROUTDALE

Section 1. NW Graham Road be renamed NW 257th Drive from its southern terminus at NW Frontage Road in a northerly direction, to a point approximately 2,900 linear feet (0.55 miles) along the road centerline, in which the roadway changes to an easterly-westerly direction, in the proximity to the Troutdale Water Pollution Control Facility.

Section 2. Property addresses along the affected segment shall be updated to reflect the new street name and grid designation according to the addressing procedures of the City of Troutdale.

Section 3. The remaining segment shall retain the designation of NW Graham Road.
