

RESOLUTION NO. 2024

A RESOLUTION SUPPORTING THE MT. HOOD COMMUNITY COLLEGE GREENWAY TRAIL PROJECT AND AUTHORIZING SUBMITTAL OF AN OREGON PARKS AND RECREATION DEPARTMENT RECREATIONAL TRAIL PROGRAM GRANT APPLICATION

THE TROUTDALE CITY COUNCIL FINDS AS FOLLOWS:

1. In 2004 Metro purchased 63 acres of property from Mt. Hood Community College with funds from its 1996 voter-approved open space bond measure. The City of Troutdale is responsible for managing the site under an Intergovernmental Agreement (IGA) with Metro.
2. The City's adopted Parks Master Plan shows a trail running the length of the MHCC greenway property as an extension of the Beaver Creek Canyon trail system and as a segment of the 40-mile loop regional trail system.
3. The 40-mile Loop Land Trust's Trail Map also shows a segment of this regional trail across the MHCC greenway tract.
4. In accordance with a July 2007 IGA with Metro, the City will receive \$177,000 of Metro open space bond money as its local share toward construction of a trail on the MHCC greenway. Those funds, together with City parks SDC funds, are insufficient to construct the trail improvements specified in the preferred site plan.
5. Grants offered through the Oregon Parks and Recreation Department's (OPRD) Recreational Trails Program provide a supplemental funding source to allow the City to go forward with this project.
6. The need for this trail has been established through the citizen involvement process that occurred with the development and adoption of the City's 2006 Parks Master Plan.

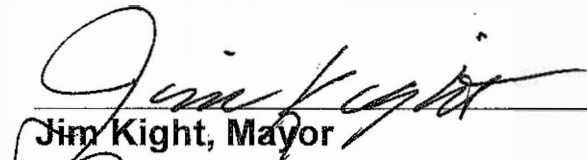

NOW, THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TROUTDALE

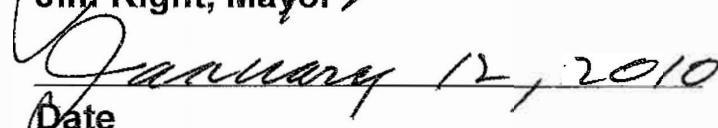

Section 1. The City Council fully supports the MHCC trail project.

Section 2. The City Council authorizes the Community Development Director to apply for grant funding through the Oregon Parks and Recreation Department's Recreational Trails Program.

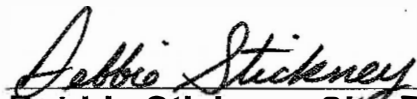

Section 3. This resolution shall take effect immediately upon adoption.
