Discussion Items

1. View location of table -- As rain canceled on-site viewing, there was no location review, but committee opted to keep original set of cracked bench seats for other possible uses at Oasis.
 2. Trees and plantings -- D. Morris reported that H. Markham was planning to install two new trees, two small plants and two rosemary plants.
 3. Report on addition of drinking fountain at Oasis -- D. Morris reported that city manager did not approve drinking fountain installation, as there are many maintenance and vandalism issues with existing fountains.
 4. Council Workshop, Art Inventory -- D. Morris indicated that, in addition to generally positive reception at Council Workshop, City Council had approved basic concept at its regular meeting; T. Rolek and committee to follow up with detailed recommendations for each piece.
