			Brake lights complete and operational				Vehicle accident packet present and accessible
			Turn signals complete and operational				Body fluid kit present and accessible
			Backup lights complete and operational				Seat Belt web cutter present
			Backup alarm complete and audible				<b>WHEELCHAIR LIFT</b>
			Emergency 4 way flashers operational				Lift free from leakage
			<b>VEHICLE INTERIOR ENVIRONMENT</b>				Lift operating properly electronically
			Front & rear air conditioner complete and operational				Lift operating properly manually
			Front & Rear heater complete and operational				<b>Lift interlock operating properly</b>
			Defroster complete and operational				# of Lap Belts: _____ # of Tie Downs: _____
			<b>INTERIOR</b>				Tie Downs Operable
			Clean				<b>POSEY BELT PRESENT AND OPERABLE</b>
			Next PMS due is:				Quarts of oil added: _____ Gallons of fuel added: 18.7

Please explain in detail below any problems you are having with the vehicle and when the problem occurs.

Any items in **bold** marked unsatisfactory must be brought to the attention of the Supervisor immediately. The **bold** typeface indicates items that place a vehicle out of service.

I declare that I have properly performed a vehicle inspection on the vehicle indicated above and have inspected and marked the inspection items, listed above, accordingly.

Driver's signature Pre Trip inspection: *M. Green*

There have been no incidents or accidents with this vehicle since the above signed inspection.

Driver's signature mid trip inspection: \_\_\_\_\_

Driver's post trip inspection: *M. Green*

- ☐ Reviewed
- ☐ Noted for repair
- ☐ Could not duplicate problem
- ☐ Repaired

Technicians Signature: \_\_\_\_\_

Shop Managers Signature: *M. Green*

Driver number 2, mid trip, only has to perform a walk around inspection. Only inspect items where a mark can be placed.
