- Acting Chair Wulkowicz opened the quasi-judicial hearing regarding File No. CPZ-2-16.

File Description: In the matter of the File No. **CPZ-2-16**, Owner: David and Janet Snazuk, Representative: John Bischoff, Wildwood Planning have requested a zone change from Single Family Residential (R-1-6) to Multiple-Family Residential (R-3) on approximately 4.22 acres of a 5.17 acre parcel located at 302 Lundeen Road, Assessors Map 41-13-05B Tax lot 1403. The criteria used to decide this matter can be found in Chapter 17.140 Amendments of the Brookings Municipal Code (BMC). This is a quasi-judicial hearing and the Planning Commission will make a decision on this matter.

There was no ex parte contact, bias or personal interest, or conflict of interest declared. There was no objection to the jurisdiction of the Planning Commission to hear the matter. The public hearing was opened at 7:29pm. Planning Manager Colby-Hanks reviewed the staff report. Commissioner Wulkowicz asked if it would be clearer if the zone boundary were described by mete and bounds.

The representative, John Bischoff, Wildwood Planning, verified that the Planning Commission had received the addendum that requested the zoning for the western 4.22 acres of the parcel be changed to R-3. The eastern portion would remain R-1-6 and act as a buffer to the existing single family dwellings. Bischoff discussed the maximum number of dwelling units that could be sited on the property.

Richard Wise, P.O. Box 7682 Brookings spoke in support of the application but questioned the property being split zone. Wise owns a parcel to the east and described the issues that he has encountered in development of his property. Colby-Hanks explained that the Wise property was more challenging as it is located within both the City and Curry County. Wise confers with two jurisdictions for development. The Department of Land Conservation and Development representative, Dave Perry, was contacted regarding the split zone proposal. Perry did not see any issues and felt the R-1-6 portion of the subject property would provide a buffer.

Ted Freeman, Jr, 357 Gardner Ridge Road, Brookings supported the application. Freeman stated his employees are struggling to find apartments and the R-3 zone would provide for needed housing.

There was no one in opposition and no interested parties. Applicant, David Snazuk, P.O. Box 1096, Gold Beach, OR 97444 provided rebuttal and stated that the zone boundary was a surveyed easement.

No participant requested additional time to submit materials and the representative did not request additional time for written rebuttal. The public hearing was closed at 7:55pm.

The Commission deliberated on the matter . By a 5-0 vote (motion: Wulkowicz, 2nd Vogl) the Planning Commission voted to approve File No. CPZ-2-16 to authorize a zone change from R-1-6 to R-3 on the western 4.22 acres of property identified as Assessor's map 41-13-05B; tax lot 1403 located at 302 Lundeen Road, based on the findings and conclusions stated in the staff report and subject to the condition of approval as well as the addition of a condition that the zone boundary be described by metes and bounds.
